M/s Divlabs Health care Pvt. Ltd,  
New Delhi (Bidder/Manufacturer)

No: JKMSCL/GM (Adm.)/2025/13336-50

Dated: 18-02-2025.

Sub: E.bid for the finalization of Rate Contract for the procurement of "Machinery & Equipments" - issuance of Rate Contract for the item "Electrosurgical unit".

Ref No.

1. NIT No. JKMSCL/Mach/2023/599 dated 17-08-2023
2. Minutes of Purchase Committee vide No. JKMSCL/MD/2024-25/787-800 dated 22.01.2025.
3. LOI No. JKMSCL/GM/2025/12503-508 dated 24.01.2025.

Dear Sir,

As per the decision of the Purchase Committee, the Jammu and Kashmir Medical Supplies Corporation J&K has approved the following item/item(s) under group "Machinery & Equipments" in your favour as per the rates quoted by you in the NIT :

S. No.	Name of item	currency	Basic Rate without Tax with Conversion (1)	Taxes (2)	Total Amount (in Rs) with taxes (1+2)
1.	Electrosurgical unit M/s Divlabs Health care Pvt. Ltd, New Delhi (Bidder/Manufacturer) Model : Trinity QRF	INR	227000.00	27240.00	254240.00 (Rupees two lakhs fifty four thousand two hundred forty only)

The approved rates for Comprehensive Maintenance Contract after the expiry of warranty period of 05 (Five) years are as follows:

S. No	Name of Item	CMC for five years
1	Electrosurgical unit M/s Divlabs Health care Pvt. Ltd, New Delhi (Bidder/Manufacturer) Model : Trinity QRF	6 <sup>th</sup> yr 5000.00 7 <sup>th</sup> yr 5000.00 8 <sup>th</sup> yr 5000.00 9 <sup>th</sup> yr 5000.00 10 <sup>th</sup> yr 5000.00 Total 25000.00

## Terms and Conditions:

1. **Delivery Site :** Rate are FOR Drug warehouse of JKMSCL/any Govt. Institution of J&K State, wherever installation is required.
2. **Validity :** The rate contract shall remain valid for a period of two years from the date of issuance of the Contract which may be extended for a period of 90 days or till such time the new rate contract is finalized, whichever is earlier, with mutual consent of JKMSCL and successful bidder.
3. **Taxes:** As mentioned above and as applicable.
4. **Warranty:** Five Years from the date of installation.
5. **Performance Security**  
You are further required to deposit the performance security equivalent to 5% of the total invoice value in the shape of Bank Guarantee in favour of FA/CAO, JKMSCL within seven days from the date of issuance of Purchase Order(s) from time to time.
6. **Supplies**  
Within 60 days from the date of issuance of supply order.
7. **Penalty**  
In case In case of extension in the delivery period with liquidated damages, recovery of liquidated damages shall be made at the rate of 0.25% per day for every day of delay

subject to maximum of 10%.

8. **Installation:** Installation / commissioning and necessary training for upkeep of the equipment shall be provided free of cost.
9. **Availability of Spares:** Firm shall certify that the parts of the equipment shall remain available at least for a period of **five years** after the year of expiry of warranty period of five years.
10. You have to certify that the rates mentioned above as quoted by your firm are the lowest rates applicable to all Govt./private Institution/PSU etc. Variation found if any, during the rate contract period by the Corporation/Intending department or any other agency shall be the sole responsibility of the Contractor/Supplier/manufacturer/importer.
11. The supplier/manufacturer/importer shall ensure to supply the Brand new and unused item(s) strictly as per specifications/sample(s) approved. Variations found, if any, in instant case/or in later stages by the Corporation/Intending department/any other agency which may lead to sub standard or Not of standard/approved quality, shall be the sole responsibility of the supplier/ manufacturer/ importer/contractor.
12. JKMSCL is at liberty to get the feedback from the end-user department/intending department regarding the functioning of the machinery & equipment supplied by your agency. Adverse report, if any, may lead to strict action against you under rules/terms & conditions of the NIT/guidelines issued by the Govt. from time to time.
13. **Fall Clause:** The prices under contract shall be subject to price fall clause. The prices charged for the goods supplies under the contract by successful bidder shall in no event exceed the lowest price at which the successful bidder sells the goods or offers to sell the goods of identical description to any other person(s)/Organization(s) including procurement agencies or any other department of Central Govt. or State Govt. as the case may be during the period till the performance of the contract. If at any time, during the period of the contract, the bidder reduces the sales price chargeable under the contract, he shall forth with notify such reduction to the JKMSCL, J&K and the price payable under the contract for the stores supplied after the date of coming into force of such reduction or sale shall stand reduced correspondingly. It imply that if the contract holder quotes/ reduces its price to render similar goods at a price lower than the contract price to anyone in the Central/State Govt. at any time during the currency of contract including extension period, the contract price shall be automatically be reduced with effect from the date of reducing or quoting lower price for all delivery of subject matter of procurement under contract and the contract shall be amended accordingly.
14. **Risk Purchase :** If the bidder is unable to complete the supply within the specified or extended period, the corporation shall be entitled to purchase the goods or any part thereof from elsewhere without notice to the bidder on his (i.e., bidders) account at his cost and risk, with the prior approval of Managing Director JKMSCL, J&K. The bidder shall be liable to pay any loss or damage which the purchasing officer may sustain by reasons of such failure on the part of the bidder.  
The bidder shall not be entitled to any gain on such purchases made against default. The recovery of such loss or damage shall be made from any sums accruing to the bidder under this or any other contract with the corporation/government. If recovery is not possible from the bill and the bidder fails to pay the loss or damage within one month of the demand, the recovery of such amount or sum due from the bidder shall be made from the bidder. In case supplier fails to deliver ordered goods, the risk purchases may be made at market rate from any other firm. It is mandatory for the approved supplier to acknowledge receipt of orders within seven days from the date of dispatch of order, failing which the procuring entity will be at liberty to initiate action to purchase the items on risk purchase provision at the expiry of the prescribed supply period.
15. **Orders shall only be placed on the basis of actual requirement and funds as available under the relevant Head of Accounts.**
16. **Payment shall be released after successful installation and commissioning of the equipment duly verified by the intending department.**

**ELECTRO SURGICAL UNIT (MONOPOLAR-BIPOLAR)**

**ELECTRO SURGICAL UNIT (MONOPOLAR-BIPOLAR)**

1. Device should be a 400 watt micro controller based radio frequency system.
2. Device should be able to operate with Indian Standard Mains Supply Power-220-230 Volts AC,
3. Power efficiency ratio (PER) of the device should be 98.
4. It should have 2 step activation process to switch on the device, one switch at the back of the device and another switch on front bezel of the device for added protection to mother board of the device.
5. Device should have self test ability before powering on.
6. It should have continuous RF output and pulsed RF output.
7. Device should be able to measure impedance and vary the power output.
8. Device should have Smart Tissue Sensing Technology for measuring tissue impedance at real time basis through which algorithm-based modulation of energy delivery can happen creating desired issue effect.
9. Device should be enabled with PRECQM Technology. Patient return electrode contact quality monitoring (PRECQM) to ensure patient safety from burns.
10. Device TFT Display should have an indicator identifying the usage of split and non-split pad.
11. Device should register all the error shown by the device with date and time.
12. It should have a TFT display with a 2 step Lock / Unlock system for the touch screen to avoid unintended change in power settings.
13. **Device should have 2 monopolar, 1 bipolar output.**
14. Device should have the ability to deactivate any output port if the user requires so.
15. Device should have safety timeout feature for monopolar activation between 10 secs to 90 secs.
16. Device should display the active mode on the screen.
17. Device should be equipped with wireless Bluetooth footswitch and should be compatible for wired footswitch as well.
18. The footswitch should be 3 pedal and multifunctional (upgradeable to ligation and bipolar resection in saline).
19. Device should have footswitch indicator on screen to enable the user to correctly identify the corresponding pedal to the desired mode.
20. Device should have a toggle mechanism to allow user to shift between various modes.
21. All modality controls should be only touch screen.
22. It should have User Programmable profiles (999 storable profiles).
23. User profiles should be editable.
24. Device should have the safety standard of PRE-CQM along with display of contact quality.
25. Device should have an external activation volume control.
26. Device should have a reset button which allows the user to get the previously activated settings on the device prior to shutdown.
27. Device should have all the following modalities:
  - a. Monopolar Pure cut -350 ohms with crest factor of 1.5
  - b. Monopolar Lap cut -350 ohms with crest factor of 1.5.
  - c. Monopolar Blend cut-350 ohms with variable crest factor.
  - d. Endocut- 300 ohms with variable crest factor.
  - e. Monopolar (Coag)Low Spray-500 ohms with crest factor of 9.
  - f. Monopolar (Coag) High Spray-500 ohms with crest factor of 9.
  - g. Monopolar (Coag)Fulgurate-500 ohms with crest factor of 7.
  - h. Monopolar (Coag) Low Desiccate-500 ohms with crest factor of 5.5.
  - i. Monopolar (Coag) Hi Desiccate-500 ohms with crest factor of 5.5.
  - j. Monopolar (Soft) Desiccate-500 ohms with crest factor of 5.5.
  - k. Bipolar-Standard -100 ohms with crest factor of 1.5.
  - l. Bipolar-Force-100 ohms with crest factor of 1.5.
  - m. Bipolar-Precise-100 ohms with crest factor of 1.5.

- n. Auto start Bipolar -100 ohms with crest factor of 1.5.
  - o. Bipolar-Micro Cut- 100 ohms
  - p. Bipolar Precise Cut-100 ohms
  - q. Bipolar Dissect-5 levels
28. Device should have Endo cut mode.
  29. Device should have the ability to perform Bipolar cut and bipolar coagulation from the same port and instrument.
  30. Device should be supplied with reusable dissection instrument with multiple insert options.
  31. Device should be enabled for simultaneous coagulation with two monopolar connectors.
  32. Device should be upgradeable to ligation and/or bipolar resection in saline.
  33. Device should not weigh more than 7 kgs.
  34. It should have a variable blend mode with user changeable percentages.
  35. Device should contain RS232 port for OR integration
  36. Device should have the ability for remote device diagnostics.
  37. Device should have the ability for remote software diagnostics.
  38. Device should have the ability for remote software up gradation.
  39. **Device should have IP rating for protection against dust ingress certified by NABL accredited labs from India.**
  40. **IEC 60601-1 standard test report of the device from NABL accredited labs from India.**
  41. **IEC 60601-1-2 standard test report of the device from NABL accredited labs from India.**
  42. **IEC 60601-1-2 standard test report of the device from NABL accredited labs from India.**
  
  43. **The foot operated foot switch should IP65 rated standard certified by NABL accredited labs from India.**
  44. **The supplied device brand should have ISTA 2A packaging test-pass report.**
  45. **The Manufacturing facility of the brand should be ISO 13485 certified.**
  46. **The Device should have European CE certification (four digit), for which certification can be verified on notified body website.**
