Terms and Conditions:

1. **Delivery Site :** Rate are FOR Drug warehouse of JKMSCL/any Govt. Institution of J&K State, wherever installation is required.
2. **Validity :** The rate contract shall remain valid for a period of two years from the date of issuance of the Contract which may be extended for a period of 90 days or till such time the new rate contract is finalized, whichever is earlier, with mutual consent of JKMSCL and successful bidder.
3. **Taxes:** As mentioned above and as applicable.
4. **Warranty:** Five Years from the date of installation.

5. Performance

Security

You are further required to deposit the performance security equivalent to 5% of the total invoice value in the shape of Bank Guarantee in favour of FA/CAO, JKMSCL within seven days from the date of issuance of Purchase Order(s) from time to time.

6. Supplies

Within 90 days from the date of issuance of supply order.

7. Penalty

In case of extension in the delivery period with liquidated damages, recovery of liquidated damages shall be made at the rate of 0.25% per day for every day of delay subject to maximum of 10%.

8. Installation: Installation / commissioning and necessary training for upkeep of the equipment shall be provided free of cost.

9. Availability of Spares: Firm shall certify that the parts of the equipment shall remain available at least for a period of five years after the year of expiry of warranty period of five years.

10. You have to certify that the rates mentioned above as quoted by your firm are the lowest rates applicable to all Govt./private Institution/PSU etc. Variation found if any, during the rate contract period by the Corporation/Intending department or any other agency shall be the sole responsibility of the Contractor/Supplier/manufacturer/importer.

11. The supplier/manufacturer/importer shall ensure to supply the Brand new and unused item(s) strictly as per specifications/sample(s) approved. Variations found, if any, in instant case/or in later stages by the Corporation/Intending department/any other agency which may lead to sub standard or Not of standard/approved quality, shall be the sole responsibility of the supplier/ manufacturer/ importer/contractor.

12. JKMSCL is at liberty to get the feedback from the end-user department/intending department regarding the functioning of the machinery & equipment supplied by your agency. Adverse report, if any, may lead to strict action against you under rules/terms & conditions of the NIT/guidelines issued by the Govt. from time to time.

13. Fall Clause: The prices under contract shall be subject to price fall clause. The prices charged for the goods supplies under the contract by successful bidder shall in no event exceed the lowest price at which the successful bidder sells the goods or offers to sell the goods of identical description to any other person(s)/Organization(s) including procurement agencies or any other department of Central Govt. or State Govt. as the case may be during the period till the performance of the contract. If at any time, during the period of the contract, the bidder reduces the sales price chargeable under the contract, he shall forth with notify such reduction to the JKMSCL, J&K and the price payable under the contract for the stores supplied after the date of coming into force of such reduction or sale shall stand reduced correspondingly. It imply that if the contract holder quotes/ reduces its price to render similar goods at a price lower than the contract price to anyone in the Central/State Govt. at any time during the currency of contract including extension period, the contract price shall be automatically be reduced with effect from the date of reducing or quoting lower price for all delivery of subject matter of procurement under contract and the contract shall be amended accordingly.

14. Risk Purchase : If the bidder is unable to complete the supply within the specified or extended period, the corporation shall be entitled to purchase the goods or any part thereof from elsewhere without notice to the bidder on his (i.e., bidders) account at his cost and risk, with the prior approval of Managing Director JKMSCL, J&K. The bidder shall be liable to pay any loss or damage which the purchasing officer may sustain by reasons of such failure on the part of the bidder.

The bidder shall not be entitled to any gain on such purchases made against default. The recovery of such loss or damage shall be made from any sums accruing to the bidder under this or any other contract with the corporation/government. If recovery is not possible from the bill and the bidder fails to pay the loss or damage within one month of the demand, the recovery of such amount or sum due from the bidder shall be made from the bidder. In case supplier fails to deliver ordered goods, the risk purchases may be made at market rate from any other firm. It is mandatory for the approved supplier to acknowledge receipt of orders within seven days from the date of dispatch of order, failing which the procuring entity will be at liberty to initiate action to purchase the items on risk purchase provision at the expiry of the prescribed supply period.

15. Orders shall only be placed on the basis of actual requirement and funds as available under the relevant Head of Accounts.

16. Payment shall be released after successful installation and commissioning of the equipment duly verified by the intending department.

17. Approved technical specifications shall remain same as per NIT (Annexure I)

All the terms and conditions of the NIT, Standard Procurement of Procedure (SPP) of JKMSCL & LOI shall be part of this Rate Contract.

Issued with the Decision and Authorization of Purchase Committee of JKMSCL vide its minutes No. JKMSCL/PS/MD/2025-26/395-407 dated 12.08.2025.

Yours sincerely,

(Mohd. Ashraf Choudhary) JKAS

1. Paediatric High Resolution flexible fiberoptic bronchoscope with recorder and screen display system

Specifications of Monitor

1. It should be Lightweight and easy to set up on patient table / iV Pole
2. It should have minimum internal storage capacity of 30 -32 GB
3. It should have inbuilt rechargeable Lithium-ion Battery with 2 and more Hours back-up
4. It should have 2 USB Interface ports to transfer recorded High-resolution video and still images
5. Monitor should have HDMI cable for connecting to a big screen
6. The screen size should be minimum 12.5" (Diagonal)
7. The Screen should have Image Extend feature for enhanced viewing of Live images
8. It should display full frame HD resolution view and no circular view
9. High-resolution video and still images can be recorded with touch on the screen
10. It should have wi-fi capability to transfer data viz PACS and DICOM
11. Capability to attach two scopes at a time with split screen facility.
12. Flexible scopes should be connected directly with monitor without any special accessory
13. Scopes & monitor should be from same manufacturer
14. It should be capable of easy navigation and fast identification of anatomical landmarks
15. The scopes should be sterile packed & minimum length of the scope should be 600mm & 300mm.
16. It should have ET Tube parking slot & should have Intermittent Suction Controller button to control suction on pressing
17. The working channel should allow fluid instillation and oxygen flushing
18. An Introducer should be provided to facilitate introduction of endoscopic accessories with each scope.
19. Should have Control Lever on handle for the movement of distal tip up & Down
20. Should be supplied with single use scopes.
21. Flexible scopes should be suitable for the following procedures:
Intubation (oral & nasal) Bed side Bronchoscopy
Airway Inspection
Management of retained secretion
BAL & BW procedures
DLT placement and checking PDT procedures

Technical Features of Scopes
