This is for information of all the legitimate Manufacturers/ Bidders of JKMSCL that non-provision of the requisite STP and/or reference standards of the non-pharmacopeia item/ preparations by the manufacturer/suppliers, despite repeated reminders causes inadvertent delay in quality testing and subsequent release of these items. This is a serious matter as it adversely affects the patient care.

"The clause 7.29.13 of the Standard Procurement Procedure states that "the products should conform to the standards of IP/BP/USP/EP/JP as the case may be. In case the product is not included in the said compendiums, the supplier upon award of the contract must provide the reference standards and testing protocols for quality control testing"

As such, it is hereby directed upon all manufacturers/ bidders that it is mandatory to submit/ provide the requisite STPs and reference standards (if applicable) in case of the items/preparations (Allopathic & Ayush) /Medical Devices etc. which are not as per the Standard Pharmacopeia.

Any dereliction in complying this shall invite disciplinary action provided under rules.
