Circular

Subject: Approval of Art Work by JKMSCL.....regd.

It has been observed that various firms are approaching Corporation repeatedly for approval of Art work in spite of getting their Art Work approved as part of delaying tactics in getting the supplies orders executed well in time.

Accordingly, it is enjoined upon all the suppliers to ensure the designing of Art Work strictly as per the Circular issued for the purpose dated 05-05-2016, which is self explanatory.

It is further to intimate that the firms for which the Art Work has already been approved and instructions issued thereof, need not to resubmit the Art Work time and again, as it hampers the timely execution of orders.

In light of above, I am directed to convey that any delay in getting Art Works approved shall be the responsibility of vendors and no extension in delivery period on the said ground shall be granted in future.
