DISCLAIMER

The information contained in this bid document for proposed procurement or subsequently provided to the Bidder(s), in documentary or any other form by or on behalf of the Jammu and Kashmir Medical Supplies Corporation Ltd. (procuring entity) or any of its employees or advisors, is provided to bidder(s) on the terms and conditions set out in this bid and such other terms and conditions subject to which such information is provided to the bidder.

Whilst the information in this bid has been prepared in good faith and contains general information in respect of the proposed procurement, the bid is not and does not purport to contain all the information which the bidder may require.

Jammu and Kashmir Medical Supplies Corporation Ltd., does not accept any liability or responsibility for the accuracy, reasonableness or completeness of, or for any errors, omissions or misstatements, negligent or otherwise, relating to the proposed procurement, or makes any representation or warranty, express or implied, with respect to the information contained in this bid or on which this bid is based or with respect to any written or oral information made or to be made available to any of the recipients or their professional advisers and liability therefore is hereby expressly disclaimed.

This document is neither an agreement and nor an offer or invitation by the Jammu and Kashmir Medical Supplies Corporation Limited, (hereinafter referred to as "procuring entity") to the prospective bidders or any other person. The purpose of the bid document is to provide interested parties with information to assist the formulation of their proposal/offer. The information contained in this bid document is selective and is subject to updating expansion, revision, and amendment. Each recipient must conduct its own analysis of the information contained in this bid document or to connect any inaccuracies therein that may be in this bid document and is advised to carry out its own investigation into the proposed procurement, the legislative and regulatory regime which applies thereto and by and all matters pertinent to the proposed procurement and seek its own professional advice on the legal, financial, regulatory and taxation consequences of the entering into any agreement or arrangement relating to the proposed procurement.

This bid document includes certain statements, estimates and targets with respect to the procurement. Such statements, estimates and targets reflect various assumptions made by the procuring entity, (and the base information on which they are made) which may or may not prove to be correct. No representation or warranty is given as to the reasonableness of forecasts or the assumptions on which they may be based and nothing in this bid document is, or should be relied on as, a promise, representation, or

warranty. Bid document and the information contained therein is meant only for those applying for this procurement, it may not be copied or distributed by the recipient to third parties, or used as information source by the bidder or any other in any context, other than applying for this proposed procurement.

The procuring entity is, its employees and advisors make no representation or warranty and shall have no liability to any person, including any bidder under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this bid document or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the bid document and any assessment, assumption, statement or information contained therein or deemed to form part of this bid document or arising in any way for participation in this bidding process.

The procuring entity also accepts no liability of any nature whether resulting from negligence or otherwise howsoever caused arising from reliance of any bidder upon the statements contained in this bid document.

The procuring entity may in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information, assessment or assumptions contained in this bid documents.

The issue of this bid document does not imply that the procuring entity is bound to select a bidder or to appoint the selected bidder or bidder, as the case may be, for the procurement and the procuring entity reserves the right to reject all or any of the bidders or bids at any point to time without assigning any reason whatsoever.

The bidder shall bear all its costs associated with or relating to the preparation and submission of its bid including but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstrations or presentations which may be required by the procuring entity or any other costs incurred in connection with or relating to its bid. All such costs and expenses shall remain with the bidder and the procuring entity shall not be liable in any manner whatsoever for the same or for any other costs or other expenses incurred by a bidder in preparation or submission of the bid, regardless of the conduct or outcome of the bidding process.

Any information/documents including information/ documents pertaining to this bid or subsequently provided to bidder and/or selected bidder and information/documents relating to the bidding process; the disclosure of which is prejudicial and/or detrimental to, or endangers, the implementation of the procurement is not subject to disclosure as public information/documents.

Managing Director
Jammu and Kashmir Medical Supplies Corporation Ltd

Section-I Instruction to Bidders (ITB)

Before uploading bid, kindly go through the following instructions carefully so that your bid may not be considered invalid:

Clause No.	Description
1.	Go through the terms and conditions, annexure and other forms of the document carefully and meticulously & get your digital signatures available for uploading.
2.	Bid form must conform the terms & conditions of the bid documents and Technical Bid in Cover- 'A' & Financial Bid in Cover-'B' to be uploaded o. The receipt for cost of tender, tender processing fee and catalogues of the quoted items shall be submitted in the office of JKMSCL atleast one day prior to submission of online bids.
3.	It is expected from all bidders that CDR/FDR/BG in separate envelope shall be deposited with the authorized person of JKMSCL at reception against proper receipt from the concerned.
4.	Correspondences/Complaints lodged to JKMSCL should bear signature, name, I.D proof and mobile number of the complainant. Unauthenticated correspondence/complaints may not be acted upon. If any bidder intends to lodge a complaint or make a suggestion with regards to some bid condition, it shall be done in the Pre-bid conference, in the office of JKMSCL in writing. After the stipulated period as decided by the JKMSCL, no such complaint/ suggestion would normally be considered.
5	Certificates/Licenses/Documents which are required should be complete and updated. The bidder shall submit acceptance of terms and conditions of the tender document.
6	If there is any query in bid document/uploading process, bidder may contact JKMSCL office at Jammu/Srinagar during working hours i.e 1000 hrs. to 1600 hrs on ph. 0191-2478842; 191-3510489, 0194-2432008 or e-mail on gmkjkmscl1@gmail.com / jkmsclepm@gmail.com / gmijkmscl@gmail.com

7.	In case a bidder is given any assurance what so ever of being provided with any advantage in JKMSCL by anybody or if a bidder is directly or indirectly threatened of being put to some deliberate disadvantage in the bidding process & in the bidder's subsequent association/ working with JKMSCL, it is requested that the concerned must immediately inform about the same to the Managing Director, JKMSCL/G.M-J(Adm), JKMSCL in writing or through e-mail on gmj@jkmssl@gmail.com . It is advised that evidence of such unfair activity of such person, if available, is produced along with the complaint, so that action can be taken against such a person(s) and that their details can be put on the website so that other bidders can be forewarned in this regard.
8	The Bidders shall have to submit a GST No. & GST clearance certificate/return submitted from the concerned commercial taxes officer and the 'PAN' issued by income tax department.
9	It is clarified that the information required in bidding document should be uploaded as per enclosed bidding form without any change or modification in its formats. Bids submitted with changed or modified annexure/ formats shall out rightly be rejected.
10	The declaration of technical bid in respect of responsive/non responsive bidders shall be uploaded on website www.jktenders.gov.in Similarly, information regarding financial bid (L-1) shall also be provided to bidders on above websites. Individual bidders shall not be informed separately.
11	No firm/bidder/manufacture/importer shall provide/supply any of the product item at the rate contract /approved by JKMSCL to any of the department/NGO/other procuring institute within or outside the Union Territory of J&K. In case any supply is made in violation to the said condition (or), the supplier/firm shall be liable to be penalized to the tune of 7.5% of order placed/blacklisting for a period not less than five years (or) both as deemed fit, to the competent/Tender Inviting Authority. However, JKMSCL can procure the items for any of the departments within /outside the Union Territory of J&K/after charging the administrative expenses.
12	The qualified bidders are required to submit the relevant documents and annexure uploaded with their e.bid in original along with catalogues at the time of issuance of LOI /execution of agreement before issuance of rate contract.
13	The bidder shall not under any circumstances quote "Zero" anywhere in the BOQ.

14	Important Instructions to bidders The bidders shall have to abide the clauses/restrictions in terms of Rule 144 (xi) of the General Financial Rules (GFRs) issued by the Ministry of Finance, Department of Expenditure, Public Procurement Division vide No. F.No.6/18/2019-PDD dated 23.07.2020. The bidders are required to submit a certificate/ declaration regarding their compliance with this order. If such certificate given by a bidder whose bid is accepted and is found to be false, it will be a ground for immediate termination & further legal action in accordance with law. Bidders are required to go through the said order & Office Memorandum (s) for the necessary compliance Model Certificate for tenders <i>"I have read the clause regarding restrictions on procurement from a bidder of a country which shares a land border with India. I hereby certify that this border is not from such a country and is eligible to be considered."</i> Model Certificate for Tenders <i>"I have read the clause regarding restrictions on procurement from a bidder of a country which shares a land border with India; I certify that this bidder is not from such country or, if from such a country, has been registered with the Competent Authority. I hereby certify that this bidder fulfills all requirements in this regard and is eligible to be considered (where applicable, evidence of valid registration by the competent Authority shall be attached)"</i>

Section III: Evaluation and Qualification Criteria

2. Qualification Criteria

The lowest evaluated bidder shall have the necessary qualifications to successfully fulfil its obligation under the contract. Minimum acceptable levels with regards to bidder's experience in supply of goods and related services with comparable technical parameters, its financial capability and other factors are defined.

Clause No.	Description
1.	Contractual experience: - The bidder shall be an original manufacturer; direct importer; (or) authorized representative of the original manufacturer/direct importer, who must have manufactured/ imported, supplied and installed such equipments in India satisfactorily. The list of such installations may be asked from the bidder and the bidder should submit self-attested copy of purchase order, indent and invoice (inclusive of quantity & rate).
2.	Technical experience: - Client Base on Letter Head of the Bidder / Manufacture/Indian Subsidiary of Principal Manufacturer with references of the supply orders, for any of the three financial years in last five financial years along with satisfactory performance certificate of <u>minimum one Submitted Purchase Order and installation report of Govt. Institution</u> (Copies of reference supply orders and satisfactory performance certificate need to be attached)
3.	Production capacity: The JKMSCL may fix the minimum supply and/ or production capacity required to assure that the bidder is capable of supplying the type, size and quantity of goods required. It should be dedicated quantity to JKMSCL on monthly and annual basis. Production capacity certificate be attached with uploaded document.
4.	Financial position: - The soundness of the bidders' financial position showing long term profitability demonstrated through audited annual financial statement (balance sheet, income statement etc.) for last three years.
5.	Cash Flow capacity: The bidder should have sufficient availability of/ access to liquid assets, lines of credit and other finances to meet the possible cash flow requirement which may arise during the execution of the rate contract.
6.	Litigation history:- The information regarding all pending claims, arbitration, or other litigation is asked by the JKMSCL
7.	Tax clearance certificates: - The Latest GST returns and other tax clearance certificate (latest) or declaration to be submitted by the bidder. Bidders shall have to submit a valid & latest 'GST' clearance certificate/return submitted online as per GST rules along with GST No. and the 'PAN' issued by concerned department.
8.	Declaration regarding qualifications: - Declaration regarding qualifications of the bidder shall be given in specified format provided in bidding forms.

9.

Mandatory License and Registration Documents

I. For Bidder as Distributor / Supplier / Trader:

- a) Valid Registration Certificate in Form* *MD-42* or equivalent to that issued by State Licensing Authority {See Rule 87 A (1)&(2) of MDR-2017
- b) Copy of Manufacturer's Licence (*Form MD-5 for Class A&B / Form MD-9 for Class C&D*) or Import Licence (*Form MD-15*).

II. For Bidder as Indigenous Manufacturer:*

- a) Valid Manufacturing Licence in *Form MD-5* (Class A & B) OR *Form MD-9* (Class C & D).
- b)** Product Permission List for quoted items endorsed by Licensing Authority.

III. For Bidder as Importer:*

- a) Valid Import Licence in *Form MD-15* issued by Central Licensing Authority (CDSCO).
- b) Valid MD-42.

1. Evaluation Criteria

Claus	Description
1.	Scope
1.1	Local handling and inland transportation: -The cost for Inland transportation, insurance, related services, installation, commissioning, demonstration and other incidental costs for delivery of goods, or port of entry, or supply point to consignee site, schedule of supply shall be quoted in price schedule.
1.2	Minor omission and missing items: - Pursuant to the relevant clauses, the cost of all quantifiable non-material non-conformities or omissions from the contractual and commercial conditions shall be evaluated. The procuring entity will make its own assessment of the cost of any non-material non-conformities and omissions for the purpose of ensuring fare comparison of bids.
2.	Technical Criteria: - The minimum technical level that the goods and related services shall have in order to comply with the Section V, schedule of supply are specified. These criteria are evaluated on a pass-fail system, with a minimum acceptable level for each criteria enumerated in technical specifications of item. However, a minor deficiency in technical compliance may not be cause for rejection of the bid.
3.	Economic Criteria: - The economic criteria are most important when evaluating a Bid. The price, however, may not be the only criterion, as there could be technical evaluation that may be expressed in mandatory terms i.e. cost per test etc. The following may be examples: - 3.1, 3.2....
3.1	Adjustment for deviations in the delivery and completion schedule: - The deviation from the delivery and completion schedule specified in Section V, schedule of supply are permitted. No credit will be given for earlier completion.
3.2	Operation and maintenance cost: The operation and maintenance costs of equipments are taken into account for bid evaluation purposes. The methodology is elaborated at BOQ for determining lowest bid (L-1).
3.2	Spare parts: - Only those spare parts and tools which are specified on an item wise basis in the list of goods and related services, schedule of supply shall be taken in account in bid evaluation. Supplier recommended spare parts for specified operating requirement shall not be considered in bid evaluation. The price for evaluating L1 (as per BOQs) shall be decided on the basis of cumulative rates of Main item, Accessories (wherever asked) /Indian items (wherever asked) i.e cost of main item + cost of Accessories = Total cost of equipment.
3.3	Performance and productivity of goods:- The performance and productivity of the equipments shall be as per the reference value or norms specified in technical specification of an item and corresponding value guaranteed by the bidder in its bid.
4.	Price preference:-
4.1	The price preference shall be given in evaluation of bids and award of contract as per MSME Policy in vogue.
4.2	Taxes as applicable, should be mentioned clearly and separately.

1	2	3	4	5	6	7	8	9	10	11			12	13
1	Main item													
2	Accessories, if any.													
3	Indian items, if any													
5.	Optional Items, if any													
CMC for 1st Year		CMC for 2nd Year		CMC for 3rd Year		CMC for 4th Year		CMC for 5th Year						Total amount CMC
14		15		16		17		18						

Important Note :**The Following Information is Mandatory to be submitted by the suppliers/contractors**

Name of the bidder	Bank Name	A/C No. linked with GSTIN	IFSC CODE	BRANCH	STATE/UT

The following instructions shall be followed:-

1. The rate quote should be as per BOQ.
2. CGST, SGST or IGST should be separately shown in absolute amount only.
3. Rate should be quoted only for packing units as mentioned in the bid
4. No quantity or cash discounts should be offered.
5. Read all the terms & conditions before filling the Annexure III.
6. Please quote rates in absolute amount only.
7. Please quote rates per unit only
8. The bidder shall not under any circumstances quoted "Zero" anywhere in the BOQ.
9. Finalization of the rates shall be made on the basis of price quoted in BOQ
10. Custom duty, if applicable shall be indicated separately.

11. The final rates quoted at Column No. 13 shall be considered as final rates and shall be considered for evaluating financial bid. L1 rate shall be finalized on the basis rate and taxes as applicable.

12. **The price for evaluating L1 (as per BOQs) shall be decided on the basis of cumulative rates of Main item, Accessories (wherever asked) i.e cost of main item + cost of Accessories + Indian items = Total cost of equipment.**

13. **The rates quoted for the CMC (Comprehensive Maintenance Contract) and Optional items shall not be considered for finalizing/deciding L1 rates.**

14. **Warranty of 05 years shall be applicable for Machinery and Two years of instruments.**

15. The bidder may quote in foreign currency as per the BOQ uploaded in the e.portal on the following terms & conditions

(For Imported equipment)

80% payment shall be released in favour of supplies on presentation of shipping documents and balance 20% after successful installation of machine. Bank Guarantee is not required for L.C Letter of credit would be opened subject to following additional conditions :

1. At site LC would be opened.
2. A level vessel would be used for shipment of supplies which should not be more than 15 years old.
3. Supplies shall be insured vide comprehensive Insurance Policy including machine insurance by the OEM till the final delivery site shall also include "Force Majeure".
4. Pre-dispatch inspection shall be carried out by OEM by certified inspection agency before shipment of supply.
5. ***The CIF (cost insurance freight)/CIP (cost insurance price) upto New Delhi, should be in Foreign Currency, payable by the Principal company in that currency only as per the mode of L.C stipulations. The CIF prices shall be borne by the firm upto site.***
6. ***The custom duty shall be paid as per actual on the production of documentary proof. No Custom duty exemption certificate shall be issued by JKMSCL to facilitate custom clearance on the concessional rates.***
7. ***CIF price of optional accessories, if any, Percentage of Indian direct Importer/authorized representative's percentage (Indian agency commission), if any, on FOB (Freight on board) Price which shall be payable to the Indian direct Importer (Indian Agency) in Indian currency at the exchange rate as mentioned below. However local accessories, if quoted in Indian currency, GST shall be paid as admissible under rules.***
8. The prices quoted should be as per the price of the manufacturer applicable in within India.
9. ***The L1 shall be calculated on the basis of conversion of currency as on date of opening of financial bid.***

Delivery Period shall be 60 days for Indian Items and 90 days for Imported items.

PLEASE DON'T WRITE 00 AGAINST THE ITEMS FOR WHICH YOU DIDN'T WISH TO QUOTE; INSTEAD, LEAVE THE COLUMN BLANK" AGAINST THE SAID ITEM; AS THE SYSTEM TAKES RS. 00.00 AS L1.

Important Note: Besides custom duty, the firm shall also mention Health cess and Social Welfare cess amount as applicable. Demurrage charges or late fee will not be paid by JKMSCL.

Only the Rates reflected in the comparative sheet in the BOQ (as per format uploaded) shall be considered for ascertaining L1. No Separate rates quoted by the bidders in the BOQ shall be accepted.

Section V: Schedule of Supply

Table of Contents

S. No.	Description	Pages
1.	List of goods and related services	
2.	Delivery and completion schedule	
3.	Technical specifications	
4.	Drawings	
5.	Inspections and tests	

Section V: Schedule of Supply

Clause No.	Description
1	List of goods and related services
1.1	Name of item.....
1.2	Related services are delivery, local transportation, installation, commissioning, demonstration and training etc.
1.3	Warranty period starts from the date of successful installation for a period of Five years.
1.4	JKMSCL may, if deemed fit, enter into third party agreement under comprehensive equipment maintenance programme, Govt. of India.
2	Delivery and completion schedule
2.1	SUPPLY ORDERS AND SUPPLY SCHEDULE:
2.1.1	Supply order shall be placed through registered post/e-mail/any communication medium by the JKMSCL. The date of receipt of e mail/fax/other communication shall be treated as the date of order for calculating the period of execution of order. The successful bidder shall execute the orders within a delivery period of 60 days or as specified in the supply order from the date of issuing supply order and handing over of space with the availability of power & other requisite installations by the end users.
2.1.2	In case of imported items, 30 days will be given in addition to above mentioned period, as mentioned in condition No. 2.1.1 above.
2.1.3	The successful bidder shall acknowledge the receipt of orders, if any, within 7 days from the date of dispatch of order, failing which the procuring entity may be at liberty to initiate action to purchase the items on risk & cost purchase provision. However finalization of annual Rate contract does not mean mandatory issuance of supply order. Supply order shall be as per the requirements of items at various end-users.
2.1.4	The Site of delivery shall be Drug ware House of JKMSCL or as per the requirement of the Department. The bidders can visit the site after seeking permission from the competent authority before quoting their rates.
2.1.5	To ensure sustained supply without any interruption, the JKMSCL reserves the right to have more than one approved supplier from amongst the qualified bidders on L1 matched rates only. In such a case, the requirement may be met by dividing be quantity among the R/C holders considering the quantity required and dedicated capacity of the successful bidders.
2.1.6	The ready stock position of the item, if provided by the firm, may be considered by the corporation for the placement of supply orders.
2.1.7	It may be noted that the JKMSCL does not undertake to assist in the procurement of raw material, whether imported or controlled or restricted, and as such the bidders must offer their rates to supply the specific items from own quota of raw material stock by visualizing the prospect of availability and requirement. Any of the above points if taken, as argument for non-supply/delayed supply will not be entertained.

2.1.8	The figures indicated, if any, do not constitute any commitment on the part of JKMSCL to purchase any of the articles and the quantities shown therein against each or in any quantity whatsoever and no objection against the quantity of the indent of approved item being more or less than the indicative quantity will be entertained and shall not be acceptable as a ground for non supply of the quantity indented.
2.2	PROCURING ENTITY'S RIGHT TO VARY QUANTITY:
2.2.1	If the JKMSCL procures less than the quantity indicated in the bidding documents (if asked) the bidder shall not be entitled for any claim or compensation except otherwise provided in the conditions of contract.
2.2.2	If the bidder fails to supply, the JKMSCL shall be free to arrange / procure the item(s) from other sources and the extra cost incurred shall be recovered from the supplier.
2.3	SUBMISSION OF CONTRACT COMPLETION REPORT
2.3.1	Firms shall have to submit consolidated statement in duplicate at the end of rate contract as well as after expiry of equipment / instrument warranty period (as provided in guarantee clause of the contract) to enable the corporation to examine the case for refund of performance security.
2.3.2	The consignee shall intimate the contract /supplier about the defect (s) at once in such a manner, so as to reach the office of the firm immediately and before completion of warranty period. It shall be the responsibility of the consignee to get the complaint of warranty period. It shall be the responsibility of the consignee to get the complaint of defective equipment of defective performance registered immediately with the office of JKMSCL.
2.5	PACKING & INSURANCE:
2.5.1	The good shall be delivered at the destination in perfect condition. The firm if so desires may insure valuable goods against loss by theft, destruction or damages by fire, flood, under exposure to weather or otherwise in any situation. The insurance charges will have to be borne by the supplier and the corporation shall not be required to pay any such charges, if incurred.
2.5.2	The firm shall be responsible for the proper packing so as to avoid damages under normal conditions of transport by sea, rail, road or air and delivery of material in good condition to the procurement officer's store. In the event of any loss, damage, breakage or leakage or any shortage the firm shall be liable to make good such loss and shortage found at destination after the checking/inspection of material by the consignee. No extra cost on such account shall be admissible. The firm may keep its representative to verify any damage or loss discovered at the consignee's store, if it so likes.
2.5.3	The material received with damaged packing (or) without packing as per terms & conditions of NIT (or) in damaged state, shall be liable to the minimum penalty of 2% of the value of the damaged item (or) quantity received with damaged packing. Further packing, cases, containers and other allied material if any shall be supplied free, except where otherwise specified by the firm(s) and agreed by the corporation and the same shall not be returned to him.

2.5.4.	Packing specifications Schedule for packing – General specifications 1. All items should be packed only in first hand boxes only. 2. Label: Every box should carry a large outer label clearly indicated that the product is for “JKMSCL Supply” for the year, “Not for Sale ” and it should carry the correct technical name, strength or the product, date of manufacturing, date of expiry, quantity packed and net weight of the box in bold letters. Note: The weight/size of the box for packing the item may vary for the safe delivery/installation of equipment. Any deviation in the packing, if necessary, shall be made after getting permission from JKMSCL.
2.6	REJECTION OF GOODS:
2.6.1	Articles not as per specification/ or not approved shall be rejected by the corporation / consignee and will have to be replaced by the supplier firm at its own cost within 15 days or with time limit fixed by the corporation.
2.6.2	All the stores supplied shall be of the best quality and conforming to the specification, trademark laid down in the schedule attached to agreement and in strict accordance with and equal to the approved, standard/specifications/ samples. In case of any material of which there are no standards or approved samples, the supply shall be of the best quality to be substantiated by documents/specifications. The decision of JKMSCL as to the quality of stores is final and binding upon the bidder. In case any of the articles supplied are not found as per specification or declared sub-standard, that shall be liable to be rejected and any expenses of loss caused to the supplier as a result of rejection of supplies shall be entirely at his account.
2.6.3	The rejected item must be removed by the firm, within 15 days of the date of intimation of rejection. The officials concerned shall take reasonable care of such material upto 15 days from the date of intimation only but in no case shall be responsible for any loss, damage, shortage that may occur while it is in their premises. In case firm fails to remove the items within fifteen days, JKMSCL shall have full right to get the said item(s) removed & destroyed at the cost & risk of supplier/bidder, without any further correspondence. The destroying charges as per the actual plus 1% penalty shall be deducted from any amount payable to the firm.
2.6.4	No payment shall be made for defective/incorrect items.
2.6.5	In case firm wants to take back item to their service station for rectification then firm has to deposit payment received against such defective supplies. In case supplier has not received any payment then material be returned to supplier firm for rectification. In no case the defective equipment is allowed to be installed after rectification.
2.6.7	The bidder shall be responsible for the proper packing and delivery of the material to the consignee. In the event of any loss, damage, or breakage, leakage or shortage in transit, the bidder shall be responsible. No extra cost on such account shall be admissible.
2.7	Payment Terms (For items quoted in foreign currency)

2.7.1

For Payment through Letter of Credit (for imported items only)

Payment shall be considered to be made only on receipt of an agreement & performance security, where requisitioned and in the following manners:

In case of irrevocable Letter of Credit (for imported machinery & equipment, its parts, accessories & consumable etc. which are part of supply, installation & commission)

i. **On shipment form abroad:**

80% of the net FOR value shall be paid through irrevocable Letter of Credit established in favour of the suppliers by JKMSCL on a bank in the supplier's country, on submission of the documents specified in the Letter of Credit and further following documents:

- a. Supplier's certificate that the amount(s) shown in the invoice is/are correct in terms of the contract and that all the terms and conditions of the contract have been accepted and complied with.
- b. Supplier's certificate confirming that the original shipping documents have been dispatched to the consignee in accordance with the contract and
- c. Any other document specified in the notification of award or the contract.

ii. **On final acceptance after receipt of acceptance certificate:**

- a. Balance 20% of the net F.O.R value (in case of foreign principals), shall be payable by JKMSCL on receipt of goods, on submission of claim supported by the acceptance certificate issued by the user department, mentioning therein the dates of receipt of goods, installation of the equipment and completion of minimum 30 days satisfactory & faultless functioning of the equipment/goods and also subject to other provisions of the agreement.
- b. The freight and insurance, if any, based on the production of the documentary evidence of the same shall be reimbursed by JKMSCL subject to the estimated amount as mentioned in the supply order/rate contract.

- iii. Rates quoted must be FOR stores of JKMSCL/site of installation of end user Department. All the statutory duties/taxes are to be paid by the approved supplier. However, same shall be reimbursed at actual on production of requisite documents from the competent authority. JKMSCL shall not be responsible for any demurrage charges on any grounds.

In other case :

	i. 100% after accepted delivery & submission of claim to procurement entity with all relevant shipping documents in case of consumables, spare parts whether Imported or Indigenous. ii. 100% in case of goods required commissioning, installation, turnkey work and supply of Import Indigenous goods/equipments, on submission of claims procurement entity with all acceptance certificate issued by the user department in favour of supplier & countersigned by the supplier as per NIT mentioning therein the dates of receipt of goods, installation of equipment and after completion of minimum 30 days satisfactory & faultless functioning of the equipment/goods and also subject to other provisions of the Agreement. iii. In cases of imported goods the supplier shall also submit with their claims, the documentary evidences like bill of entry etc. or other documents issued by the custom department, Government of India for clearance of such imported goods supplied to the JKMSCL.
2.7.2	Payment shall be made by RTGS. Expenses on this account, if any, shall be borne by the firm.
2.7.3	Payment to the authorized representative shall be made as per the tripartite agreement with the Corporation i.e JKMSCL on the basis of Annexure All to be uploaded along with e.bid.
2.7.4	No advance payments towards cost of items shall be made to the bidder.
2.7.5	If at any time during the period of contract, the price of bid items is reduced or brought down by any law or Act of the Central or State Government or by the bidder himself, the bidder shall be bound to inform Managing Director JKMSCL immediately about it. Purchasing authority shall be empowered to unilaterally effect such reduction as is necessary in rates in case the bidder fails to notify or fails to agree for such reduction of rates. In case this reduction of rates comes to the knowledge of JKMSCL in later stage, additional payment made w.e.f of the details of rates shall be charged from the firm with 1.5% monthly interest from the date/till rates have been reduced besides action as desired fit by JKMSCL which may be debarring/any other penalty as per penalty clause.
2.7.6	In case of any enhancement in taxes/duty due to notification of the Government after the date of submission of bids and during the bid period, the quantum of additional taxes/duty so levied shall be allowed to be charged extra as a separate item without any change in the basic price structure of the items approved under the bid. For claiming the additional cost on account of the increase in tax/ duty, the bidder should produce a letter from the concerned authorities for having paid additional tax/duty on the goods supplied to ordering authority and also must claim the same in the invoice separately. Similarly if there is any reduction in the rate of taxes/duty of items, as notified by the Government, after the date of submission of bid, the quantum of the price to the extent of reduction of taxes/duty of items will be deducted without any change in the basic price structure of the items approved under the bidder.
2.7.7	In case of successful bidder has been enjoying exemption on any criteria,

	such bidder will not be allowed to claim taxes/duty at later point of time during the tenure of contract, if the taxes/ duty become chargeable on goods manufactured due to any reason.
2.7.8	If there is any hindrance by the consignee to provide the required site for installation the part payment of equipment shall be made / decided by JKMSCL. In that case, the firm has to inform JKMSCL immediately.
2.8	LIQUIDATED DAMAGES:
2.8.1	The time specified for delivery in the bid form shall be deemed to be the essence of the contract and the successful bidder shall arrange supplies within the period on receipt of order from the purchasing officers.
2.8.2	In case of extension in the delivery period with liquidated damages after the expiry of supply schedule (60 days for Indian items & 90 days for imported items) from the date of issuance of Purchase Orders), recovery of liquidated damages shall be made at the rate of 0.25% per day for every day of delay subject to maximum of 10%. Total Penalty period shall be upto 60 days from the last day of supply period. Rest of the terms and conditions of SPP with regard to penalty clause shall remained unchanged.
2.8.3	If the supplier requires an extension of time in completion of contractual supply on account of occurrence of any hindrances, he shall apply in writing to Managing Director JKMSCL, J&K, for the same immediately on occurrence of the hindrances but not after the stipulated date of completion of supply. The firms shall ensure extension of delivery period for delayed supplies. The payment shall only be released by corporation after sanction of extension in delivery period.
2.8.4	Delivery period may be extended with or without liquidated damages. If the delay in the supply of goods is on account of force majeure i.e., which is beyond the control of the bidder, the extension in delivery period may be granted without liquidated damage.
2.8.5	If the bidder is unable to complete the supply within the specified or extended period, the corporation shall be entitled to purchase the goods or any part thereof from elsewhere without notice to the bidder on his (i.e., bidders) account at his cost and risk, with the prior approval of Managing Director JKMSCL, J&K. The bidder shall be liable to pay any loss or damage which the purchasing officer may sustain by reasons of such failure on the part of the bidder. The bidder shall not be entitled to any gain on such purchases made against default. The recovery of such loss or damage shall be made from any sums accruing to the bidder under this or any other contract with the corporation/government. If recovery is not possible from the bill and the bidder fails to pay the loss or damage within one month of the demand, the recovery of such amount or sum due from the bidder shall be made from the bidder. In case supplier fails to deliver ordered goods, the risk purchases may be made at market rate from any other firm. It is mandatory for the approved supplier to acknowledge receipt of orders within seven days from the date of dispatch of order, failing which the procuring entity will be at liberty to initiate action to purchase the items on risk purchase provision at the expiry of the prescribed supply period.

2.8.6	LD for damaged packing or loose packing equivalent to 2 % of the value of the products received with damaged packing or in loose packing or with packing not conforming to the terms and conditions, specified in the tender document.
2.9	RECOVERIES:-
2.9.1	Recoveries of liquidated damages, short supplies, breakage, rejected articles shall ordinarily be made from bills. Such amount may also be recovered from any other untied dues & security deposits available with the JKMSCL. In case recovery is not possible, action will be taken as per prevailing Acts/rules in J&K State.
2.9.2	Any recovery on account of liquidated damage charges/risk & cost charges in respect of previous rate contracts/supply orders placed on them by the JKMSCL can also be recovered from any sum accrued against this bid after accounting for untied sum or due payment lying with JKMSCL against previous rate contracts/supply orders. Firm shall submit details of pending amount lying with JKMSCL but decision of Managing Director JKMSCL, J&K regarding authenticity of sum payable shall be final.
2.9.3	Testing & Handling Charges : the testing and handling charges to the tune of 1.5% of total cost shall be deducted from the invoices raised by the approved bidder against the supply orders placed from time to time.

3. Technical Specifications:

Annexure: A-III (technical specifications attached for Table I)

General features:

- i. **Bidders are requested to send printed descriptive literature/catalogue of the quoted items duly sealed by MD/Chairman/authorised signatory of the firm/bidder in the office of Jammu and Kashmir Medical Supplies Corporation Ltd. one day prior to last day of uploading of the bid. The catalogues along with compliance sheets should also be uploaded with the technical bid.**
- ii. If bidder supplied to or have rate contract of quoted items with any other Govt. institutions within one year, he may be asked to provide copies of purchase orders, invoices and rate contract.

4) .Drawings if any to be attached with the technical bid.

5. Inspection and Tests

Clause No.	Description
5.1	INSPECTION OF EQUIPMENTS AND INSTRUMENTS:-
5.2	The equipments supplies shall be according to technical specifications and shall be inspected by the committee constituted by JKMSCL as mentioned in the supply order or amended thereafter by competent authority. In case of BIS Items, inspection shall be strictly as per relevant BIS specifications with latest amendments and have been made applicable by B.I.S. at the time of inspection. The inspection and testing of the material may be got done by any inspecting Agency/team of experts at site of installation/commissioning. The supplier shall provide all facilities for inspection/testing free of cost.
5.3	Notwithstanding the fact that the authorized inspecting team had inspected and/or has approved the stores/articles, any officer(s)/team of officer nominated by the corporation may inspect the item/material as soon as it is received in the stores to ensure that the supply is in accordance with the specifications laid down in rate contract/supply order.
5.4	In case of doubts in inspection/ test, same may be got inspected or tested in any laboratory. If the material is not found as per specifications or defective, consignee shall not accept the material and shall inform the corporation within 3 days. Consignee may also simultaneously ask the firm for removal of defect/replacement. The firm shall be bound to replace the defective equipment/item within 15 days of receipt of intimation from the consignee/corporation. However, the date of delivery, in case of defective item shall be taken as the date on which the JKMSCL accepts the item after replacement of defective material/removal of defects as the case may be. Wherever defective item is replaced, the inspection/testing charges, if any, shall be borne by the supplier.
5.5	The corporation/technical expert or team shall match the specification with available reserved sample with the corporation which is submitted by the firm/supplier at the time of technical approval before release to end user. .
5.6	In case of imported item, the supplier shall ensure that the item shall be inspected by the third party inspection agency before dispatched to the consignee. In case any un- inspected item has been found in the item received by consignee, the firm shall be solely responsible for it and the JKMSCL shall be free to take suitable necessary action as per terms and conditions of bid documents/agreement against the firm.

SECTION VI A: - GENERAL CONDITIONS OF CONTRACT (GCC)

Bidder should read these terms & conditions carefully and comply strictly while submitting their bids. If a bidder has any doubt regarding the terms & conditions and specifications mentioned in the bid notice/ catalogue, he should refer these to the Jammu and Kashmir Medical Supplies Corporation, J&K, before submitting bids and obtains clarifications. The decision of the Managing Director Jammu and Kashmir Medical Supplies Corporation, J&K, shall be final and binding on the bidder. The clauses of terms & conditions are as follows:-

Clause No.	Description
1.	Definitions The following words and expressions shall have the meanings hereby assigned to them: 'Act/Rules' means Acts & rules prevailing in J&K Union Territory in terms of procurement. 'Completion' Means the fulfilment of the supplies and Related Services by the supplier in accordance with the terms and conditions set forth in the contract. "Contract" Means the Agreement entered into between the procuring entity and supplier, together with the contract documents referred to therein, including all attachments, appendices, specifications and codes and all documents incorporated by reference therein. "Contract Documents" Means the documents listed in the agreement, including any amendments thereto. "Contract Price/Rate" Means the price payable to the supplier as specified in the agreement, subject to such additions and adjustments thereto or deductions there from, as may be made pursuant to the contract. "Day" Means calendar day. "Delivery" Means the transfer of the goods from the supplier to the procuring entity in accordance with the terms and conditions set forth in the contract. "GCC" Means the general conditions of rate contract. "SCC" Means the special conditions of rate contract". "Goods" Means all of the commodities, raw material, machinery and equipment, documents, warranties and /or other materials that the supplier is required to supply to the Procuring Entity under the Contract. "Procuring Entity" Means the entity purchasing the goods and related services, Managing Director Jammu and Kashmir Medical Supplies Corporation, J&K, or as specified in the special conditions of the contract (SCC). "Related Services" Means the services incidental to the supply of the goods, such insurance, installation, training and initial maintenance, commissioning of equipment or machinery and other similar obligations of the supplier under the contract. "Subcontractor" Means any natural person, private or government entity, or a combination of the above, including its legal successors or permitted assigns, to whom any part of the goods to be supplied is subcontracted by the supplier.

	"Supplier" Means the natural person, private or government entity, or a combination of the above, whose bid to perform the contract has been accepted by the procuring entity and is named as such in the agreement, and includes the legal successors or permitted assigns of the supplier. Authorized representative: Means the natural person, proprietor or Govt entity, duly authorized by the Managing Director/Prop/Chairman/Board of Director of original manufacturer/direct importer under their seal signatures duly notarized ; to bid, negotiate, raise the invoice, receive the payment against the supplies made, enter into tripartite agreement within the Corporation i.e JKMSCL, inter-alia. Authorized signatory: Means the natural person authorized by the proprietor, Managing Director/Chairman/Board of Director of original manufacturer/direct importer under their seal signatures duly notarized to sign on behalf of the company. "The Site" where applicable, means the place of delivery, installation, testing/ commissioning of the goods /equipment or machinery or as mentioned in the supply order. "Consignee" Means the receiver of the stores as mentioned in supply order.
2.	General terms
2.1	Bids are invited from original manufacturers /direct importers/authorized representative of the original manufacturer/direct importer.
2.2	Bid shall have to uploaded as per schedule, to JK e-portal : www.jktenders.gov.in . At any time prior to the date of uploading of bid, bid inviting authority may, for any reason, whether on his own initiative or in response to a clarification requested by a prospective bidder, modify the condition in bid document by an amendment. In order to provide reasonable time to take the amendment into account in preparing their bid, bid inviting authority may at his discretion, extend the date and time for submission of bid. Interested eligible bidders may obtain further information in this regard from the office of the bid inviting authority.
2.3	Supplies shall be made directly by the bidder to be called as "Supplier" after finalization of rate contract, and suppliers. Manufacturer bidder should have permission to manufacture the item quoted as per specification given in the bid from the competent authority.
2.4.1	Direct importer should authenticate import/sale license for the product quoted in the bid issued by the competent authority.
2.4.2	In case, the item/product is supplied through authorized representative, product manufacturing permission, import/sale license of the principal manufacturer (s) direct importer (s) shall have to be uploaded along with technical bid.
2.5	Bid shall be have to be loaded on e-portal i.e www.jktenders.gov.in submitted to Managing Director, Jammu and Kashmir Medical Supplies Corporation, J&K

2.6	The bidder shall also submit the following documents and certificates along with the bid as per technical bid submission letter :- (i) A combined undertaking/declaration regarding that the quoted item: - Model is of latest technology, the item has not become outdated, that the rate quoted is not more than the rate charged from anyone else, - That the bidder is not black listed or banned or debarred by central or any state government or its append gages, - Availability of spare parts and consumables for the quoted equipment for at least 10 years/life of the item, from the date of installation. Note : Bid should not be submitted for the quoted item(s) for which the bidder has been blacklisted/banned/debarred either by bid inviting authority or Govt. of J&K or by any other State/Central Govt. and its agencies. This also applies to the bidder for its sister/ allied firm(s)/ unit(s). (ii) The bidder, in case of representative of the manufacturer/direct importer shall submit fresh authorization of the manufacturer/direct importer duly authenticated and notarized. PLEASE ALSO NOTE THAT: - (A) All attested documents must be submitted in English language. If the documents are not in English, translated version of the same, in English, duly signed and attested by authorized translator must be submitted along with copy of original document. (B) All the above mentioned documents should be under the name and address of the premises where the quoted items are actually manufactured/ stored for supply.
2.7	Financial Bid duly filled in (Annexure III/BOQ) giving the rates for quoted items should be uploaded through e portal www.jktenders.gov.in. The rate should not be disclosed/uploaded in the technical bid. Rates uploaded along with technical bid shall means out rightly rejection of bid of the concerned person.
2.8	The required amounts towards cost of bid document and tender processing charges shall be deposited as mentioned at page 5, 01 day before the last date and time of bid submission. All bids received will be opened in the presence of bidders, who choose to be present. Financial bid will be opened only for those bidders, who satisfy the criteria laid down by the JKMSCL on the details furnished by the bidder in technical bid in compliance of terms & conditions of the bid.
2.9	(i) In case of the bid being submitted by a proprietary firm, the bid must be signed by the sole proprietor. In case of a partnership firm, bid must be signed on behalf of the firm by a person authorized, holding a

	power of attorney in his favour to do so; and in the case of a company, the bid must be signed by an authorized signatory, in the manner laid down in the articles of association of the bidder company. (ii) Any change in the constitution of the firm/ company shall be notified forthwith by the bidder/contractor in writing to the Jammu and Kashmir Medical Supplies Corporation, J&K and such change shall not relieve any former member of the firm/ company from the liability under the conditions of the bid/contract. No new partner / partners shall be accepted in the firm by the bidder/contractor in respect of the bid/contract unless he/ they agree to abide by all its terms and conditions and submit a written agreement to this effect. The bidder's/contractor's receipt for acknowledgement or date of any new partner subsequently inducted, as above, shall bind all of them and will be a sufficient discharge for any of the purposes of the contract.
3	BID SECURITY:
	(i) Bid shall have to be accompanied with a scanned copy of FDR/CDR/BG/NEFT/RTGS as bid security. The bid security shall have to be submitted before the opening of technical bid with a validity of 30 months. Bids submitted without sufficient bid security & validity shall be summarily rejected. (ii) The bid security of bidder shall be refunded after the earliest of the following events, namely:- - the expiry of validity of bid security; - the cancellation of the procurement process; or - the withdrawal of bid prior to the deadline for presenting bids, unless the bidding documents stipulate that no such withdrawal is permitted. (iii) The bid security lying with the JKMSCL in respect of other bids awaiting approval or rejection or on account of contracts being completed, shall not be adjusted towards bid security for the fresh bids. The bid security may, however, be taken into consideration in case bids are re-invited for the same item. (vi) In case any document submitted by the bidder or by his authorized representative is found to be forged, false or fabricated, the bid shall be rejected and bid security may be forfeited. Bidder/his representative may also be banned / debarred. Report with police station may also be filed against such bidder/his representative.
4	FORFEITURE OF BID SECURITY: -
	The bid security shall be forfeited if: - The bidder withdraws or modifies the offer after opening of financial bid, but before acceptance of bid, - The bidder does not execute the agreement, if any, prescribed within the specified time or extended time by competent authority (on the request of the bidder), - The bidder does not deposit the 'performance security' after the supply order is placed/requested for signing the agreement,

	(iv) The bidder fails to commence the supply of the items as per supply order within the time prescribed, (v) The bidder fails to submit samples/demonstration of quoted item on demand (vi) The bidder violates any of the terms & conditions of the bid document.
5	WARRANTY CLAUSE:-
	(i) The bidder would guarantee that the subject matter of procurement would continue to conform to the description and quality as per technical specifications and performs as per descriptions, from the date of delivery/ installation of the said subject matter of procurement. Notwithstanding the fact that the purchaser may have inspected and/or approved the said subject matter of procurement during the warranty period, if the said subject matter of procurement is discovered not to conform to the description and quality as aforesaid or not performing, as described, the procuring entity will be entitled to reject the said subject matter of procurement or such portion thereof as may be discovered not to conform to the said description and quality or not performing as described. On such rejection, the subject matter of procurement will be at the seller's risk and all the provisions relating to rejection of goods, etc., shall apply. The successful bidder shall, if called upon to do so, replace the goods etc. or such portion thereof, as rejected by the procuring entity. Otherwise, the bidder shall pay such damages, as may arise by reason of such breach of the condition herein contained. Nothing herein contained shall prejudice any other right of the procuring entity in that behalf under this contract or otherwise. (ii) The bidder shall, during the warranty period appearing in the contract, replace the whole subject matter of procurement or part(s), if any, and remove the manufacturing defects, if found during the above period so as to make the machinery and equipment/ordered items operative. (iii) In case of the machinery or equipment/ordered items, the successful bidder shall be responsible for carrying out annual maintenance and repairs on the terms & conditions, as agreed. The bidder shall have to ensure that consumables required for the maintenance of machine/equipment are being supplied free of cost during warranty period. The adequate regular supply of spare parts and consumables per incident for the machinery or equipment, whether under their annual maintenance and repairs contract or otherwise shall be ensured. In case of change of model the bidder shall notify the procuring entity sufficiently in advance, to facilitate procurement of sufficient quantity of consumables/ spare parts from the bidder to maintain the machinery or equipment. In case, any item supplied by the successful bidder does not conform to the required specifications, the payment thereof, if received by the supplier, shall have to be refunded to the Jammu

	and Kashmir Medical Supplies Corporation, J&K along with interest to the tune of 1.5% per month from the date of release of payment. The supplier will not have any rightful claim to the payment of cost for substandard supplies, which may have been consumed, either in part or whole, pending receipt of laboratory test / inspection report, wherever required. Supply of goods less in weight and volume than those mentioned on the label of the container, the same will be dealt with in the manner prescribed under rules.
6	MARKING
	All items and accessories supplied should bear marking "JKMSCL SUPPLY (<u>DD/MM/YYYY</u>) engraved or non removable material) "NOT FOR SALE" or as mentioned in supply order in English, without which the supply will not be entertained. JKMSCL may ask change in art work to be printed on the item at any stage of the contract.  JKMSCL SUPPLY (<u>DD/MM/YYYY</u>) NOT FOR SALE
7	COMPARISON OF RATES:
	(i) Only net rates should be quoted. No separate free goods or cash discounts should be offered. Rates must be valid for the entire period of contract. (ii) Consignee may be located at a district headquarter (except equipment/ machinery requiring installation and commissioning, the place may be any other station) or as directed by Jammu and Kashmir Medical Supplies Corporation Limited, J&K and the rates must be quoted accordingly. No cartage or transportation charges shall be payable. (iv) The net rate must be inclusive of all charges by way of packing, forwarding, incidental or transit charges, including transit insurance, and any other levies or duties etc. on the subject matter of procurement. (v) In the event of any subsequent variation (increase or decrease) in the rate of GST or any other taxes by the government (state /UT or central), the same will be admissible accordingly. (vi) If the rates of item quoted are found same from two for more bidders, then the bidders shall be asked to submit revised financial bid, containing reduced rates within given time by Managing Director, Jammu and Kashmir Medical Supplies Corporation Limited, J&K. (vii) The bidder will exercise all due diligence at their own level regarding applicability of other taxes, duties and fees etc. for the unit of supplies as specified in the bid document and accordingly include the same in their quotes. Any additional/extra claims over

	and above the rates agreed pertaining to taxes, duties and fees etc. will not be entertained later on any account. (viii) No part of the bid document should be detached / deleted.
8	SUBMISSION OF SAMPLES/CATALOGUES AND DEMONSTRATION
	(i) Catalogues/samples of the quoted item(s) must be sent free of cost to JKMSCL even though the specifications or description etc. are mentioned in the bid form are complied. (ii) Samples of items(s) should be collected back from the JKMSCL, J&K within 15 days from the date of finalization of list of successful bidder/demonstration of product before the expert panel. The corporation shall not be responsible for any damage, wear and tear or loss during the course of testing / examination, etc. The corporation may retain the sample of approved item for one month beyond expiry of contract. The corporation shall not be responsible for any damage, wear and tear or loss in this period. The corporation shall not make any arrangement for return of samples even if the bidder agrees to pay the cost of transportation. (iii) The bidder may be asked to demonstrate the technique, procedure and utility of item as per specifications given in the bid document before the technical committee constituted by the Corporation for the purpose. In case of heavy equipment, the demonstration may be carried out at the nearby place where the equipment has been installed by the bidder. In that case, the decision of the technical committee shall be final. The firm shall keep ready the quoted item and arrange all logistics within the time frame as and when asked by the JKMSCL. After the due date, no request of the bidder/firm shall be entertained for demonstration. (iv) Sample should be strictly according to the item quoted in the bid form failing which the bid will not be considered. Sample must be submitted duly sealed and marked suitably either by writing on the sample or on a slip or durable paper securely fastened to the sample with the particulars as mentioned below: - Name and full address of the firm - Catalogue no. and name of the item - Name of section - Name of manufacturer - Brand (v) No change in marking on sample will be allowed after the submission of the sample.
9	PERFORMANCE SECURITY (P.S.) AND AGREEMENT:
	(i) The successful bidder shall submit the original copy of Bid document signed on each page at the time of agreement. However, while uploading the technical bid, only the declaration regarding acceptance of terms & conditions shall be uploaded. (ii) The period of rate contract shall be 24 months from the date of

issuance of rate contract. The Managing Director, JKMSCL can extend the original rate contract subject to original terms and conditions for a period deemed fit by them, but not exceeding three months, for which the bidder shall abide.

- (iii) Successful bidders, whose offers are accepted, shall have to deposit performance security @ 5% of the value of the supply order in favour of Chief Accounts Officer, JKMSCL within 15 days from the date of issuance of letter of intent. The performance security shall be deposited in the form of FDR/CDR/B.G (Bank Guarantee)/NEFT/RTGS. However, the bank guarantee shall be for a validity period i.e **(sixty six) 66 months from the date of installation of the equipment.**
- (iv) In case of successful bidder(s), the amount of bid security shall be adjusted for performance security for the supply order placed to the firms/bidders. The amount of performance security, if exceeds the bid security, it shall be deposited by the firm against the supply orders issued from time to time.
- (v) The firm may submit bank guarantee issued by any scheduled/nationalized bank. The minimum validity of bank guarantee should be six months after completion of warranty period for the item.
- (vi) The Performance Security: The Performance Security (P.S.) shall be 5 % of the total value of stores ordered for supply. The payment shall not be released against supplies until the additional Performance Security due is deposited by the supplier or additional.
- (vii) The performance security shall be refunded after six months after satisfactory completion of contract and after satisfying that there are no dues outstanding against the bidder subject to warranty provisions.
- (viii) It is to be noted that earlier year's bid security and performance security, even if lying in the JKMSCL shall not be considered towards this contract and therefore fresh bid security/performance security shall be deposited. The JKMSCL shall pay no interest on bid security or performance security amount.
- (ix) Successful bidders shall have to execute an agreement on a Non-Judicial stamp paper of an amount mentioned in the offer letter, in the prescribed form with the JKMSCL and deposit performance security within **30 days** from the date of acceptance of the bid is communicated to him. However, Managing Director JKMSCL, J&K may condone the delay in execution of contract by the bidder. The expenses in this regard shall be borne by the successful bidder. The validity of contract under this agreement shall be for a period as mentioned.
- (x) The bidder shall furnish the following documents at the time of execution of agreement:-

	(i) Attested copy of partnership deed in case of partnership firms. (ii) Registration number and year of registration, in case partnership firm is registered with registrar of firms; (xi) Address of residence and office, telephone numbers, in case of sole proprietorship with : (i) Registration issued by registrar of companies under Registrar of companies Act 1956, in case of company. (xiv) In case of breach of any terms and conditions of the contract or on unsatisfactory performance, the amount of performance security shall be liable to forfeiture by JKMSCL, J&K and decision of Managing Director JKMSCL J&K shall be final. (xv) The rate contract can be repudiate/rejected at any time by the Managing Director JKMSCL, J&K if the supplies are not made to his satisfaction after giving an opportunity to the bidder of being heard and after reasons for repudiation being recorded by him in writing. However, Managing Director JKMSCL, J&K may terminate the agreement of contract at any time without notice/intimation to the successful bidder.
11	SUPPLY ORDERS:
	(i) Supply order shall be placed through registered post/e-mail/any communication medium by the JKMSCL. The date of receipt of letter of communication date will be treated as the date of order for calculating the period of execution of order. The successful bidder will execute the orders within a period of 60 days or as specified in the supply order. (ii) The successful bidder acknowledges receipt of orders within 7 days from the date of dispatch of order, failing which the procuring entity may be at liberty to initiate action to purchase the items on risk & cost purchase provision. (iii) In case of imported items, 30 days shall be given in addition to above mentioned period, (iv) Except, for equipments / machinery, which requires installation / commissioning, all other supplies shall have to be to FOR district drug warehouse only. In case of non-viable size of order for supplies, the corporation shall take appropriate decision on representation from the supplier on case-to-case basis. The consignee for supplies shall be JKMSCL. (v) To ensure sustained supply without any interruption, the Managing Director, JKMSCL reserves the right to have more than one approved supplier from amongst the qualified bidders as matched L1 supplied at matched L1 rates. In such a case, the requirement may be met by dividing the quantity among the rate contract holders considering the quantity required and dedicated capacity of the successful bidders. (vi) The ready stock position of the item, if provided by the firm, may be considered by the corporation for the placement of supply orders. (vi) It may be noted that the JKMSCL does not undertake to assist in the

	procurement of raw material, whether imported or controlled or restricted, and as such the bidders must offer their rates to supply the specific items from own quota of raw material stock by visualizing the prospect of availability and requirement. Any of the above points if taken, as argument for non-supply/delayed supply will not be entertained.
12	SUBMISSION OF CONTRACT COMPLETION REPORT
12.1	Firms shall have to submit consolidated statement in duplicate at the end of rate contract well as after expiry of equipment / instrument warranty period (as provided in warranty clause of the contract) to enable JKMSCL to examine the case for refund of performance security.
12.2	The end user shall intimate the complaint/defect arise immediately to the manufacturer/importer/representative with copy to JKMSCL for further follow up.
13	LIQUIDATED DAMAGES:
	I. The time specified for delivery in the tender form shall be deemed to be the essence of the contract and the successful Bidder shall arrange supplies within the period on receipt of order from the Purchasing Officers. II. In case of extension in the delivery period with liquidated damages, recovery of liquidated damages shall be made at the rate of 0.25% per day for every day of delay subject to maximum of 10%. Delay beyond 120 (for Indian products) and 180 days (for imported products) shall be made with the consent of the TIA subject to imposition of penalty @20%. III. Penalty shall not be imposed if claim with regard to any supply i.e. Drugs/Equipment is complete in all respects i.e. QC verification/Board verified etc. is not cleared by the JKMSCL within a period of 60 days. IV. Fraction of a day in reckoning the period of delay in supplies shall be eliminated if it is less than half a day. V. The maximum amount of agreed liquidated damage shall be 20%. VI. If the supplier requires an extension of time in completion of contractual supply on account of occurrence of any hindrance, he shall apply in writing to M.D, JKMSCL, Jammu / Srinagar (J&K), which has placed the supply order, for the same immediately on occurrence of the hindrance but not after the stipulated date of completion of supply. The firms shall ensure extension of delivery period for delayed supplies. The payment shall only be released by purchase officer after sanction of extension in delivery period by M.D., JKMSCL. VII. Delivery period may be extended with or without liquidated damages. If the delay in the supply of goods is on account of hindrances beyond the control of the Bidder, the extension in delivery period may be granted without Liquidated Damage.

	VIII. If the Bidder is unable to complete the supply within the specified or extended period, the purchasing officer (JKMSCL) shall be entitled to purchase the goods or any part thereof from elsewhere without notice to the Bidder on his (i.e. Bidders) account and risk only with the prior approval from M.D., JKMSCL, Jammu / Srinagar (J&K). The Bidder shall be liable to pay any loss or damage which the purchasing officer may sustain by reasons of such failure on the part of the Bidder. The Bidder shall not be entitled to any gain on such purchases made against default. The recovery of such loss or damage shall be made from any sums accruing to the Bidder under this or any other contract with the government. If recovery is not possible from the bill and the Bidder fails to pay the loss or damage, within one month of the demand, the recovery of such amount or sum due from the Bidder shall be made under the law for the time being in force. In case more than one supplier has been approved for any item under the approved list circulated to the purchasing officers, the risk purchases may be made at a higher rate from any other firm whose rate is duly approved. It is mandatory for the approved supplier to acknowledge receipt of orders with in fifteen days from the date of dispatch of order, failing which the purchasing officer will be at liberty to initiate action to purchase the items on risk purchase system at the expiry of the prescribed supply period, after taking required approval from M.D., JKMSCL (J&K). IX. If the bidder is unable to complete the supply within the specified or extended period, the purchasing officer shall be entitled to purchase the goods or any part thereof from elsewhere without notice to the bidder on his (i.e., bidders) account at his cost and risk, with the prior approval from JKMSCL. The bidder shall be liable to pay any loss or damage which the purchasing officer may sustain by reasons of such failure on the part of the bidder. The bidder shall not be entitled to any gain on such purchases made against default. The recovery of such loss or damage shall be made from any sums accruing to the bidder under this or any other contract with the corporation/government. If recovery is not possible from the bill and the bidder fails to pay the loss or damage within one month of the demand, the recovery of such amount or sum due from the bidder shall be made or any other law for the time being in force. In case supplier fails to deliver ordered goods, the risk purchases may be made at market rate from any other firm. It is mandatory for the approved supplier to acknowledge receipt of orders within seven days from the date of dispatch of order, failing which the procuring entity will be at liberty to initiate action to purchase the items on risk purchase provision at the expiry of the prescribed supply period. X. In case of wrong quoting, (or) if successful bidder refuses (or) fails to execute the supplies on the basis of wrong quoting of rates, the bidder shall be penalized with forfeiting of amount equivalent to the Performance security for the said product (or) debarring/ blacklisting of firm for that particular product(s) for a period not less than 02 years (or) both as deemed fit by TIA i.e. MD, JKMSCL.
14	(i) JKMSCL shall procure the machinery & equipment for the Health & Medical Education Institutes of UT of J&K inter-alia. (ii) The funds shall be transferred to JKMSCL with indent form and supply

	orders shall be placed by JKMSCL to suppliers.
15	RECOVERIES
	(i) Recoveries of liquidated damages, short supplies, breakage, rejected articles shall ordinary be made from bills. Such amount may also be recovered from any other untied dues & security deposits available with Corporation. In case recovery is not possible, recourse will be taken under law in force. (ii) Any recovery on account of L.D. charges/risk & cost charges in respect of previous rate contracts/ supply orders placed on them by the corporation can also be recovered from any sum accrued against this tender after accounting for untied sum or due payment sum lying with corporation against previous rate contracts/supply orders. Firm shall submit details of pending amount lying with corporation but decision of M.D., JKMSCL, J&K regarding authenticity of sum payable shall be final.
16	INSPECTION:-
	(i) The equipments supplied shall be according to specifications provided at Section IV (3) schedule of supply and may be inspected by the technical panel/team constituted for the purpose by JKMSCL deemed fit on the site of manufacturer (in case of Indian manufacturer)/ importer (importer site). The manufacturer/importer shall facilitate the demonstration of the said machine/equipment/on the site only. After the receipt of "Certificate of satisfaction" from the technical panel, the supply order shall be placed. In case of BIS Items, inspection shall be strictly as per relevant BIS specifications with latest amendments and have been made applicable by B.I.S. at the time of inspection. The machine/equipment shall be further inspected at the time of installation/commissioning at site i.e the end user site. The supplier shall provide all facilities for inspection/testing free of cost. (ii) Notwithstanding the fact that the authorized inspecting agency had inspected and/or has approved the stores/articles, the procurement officer or his representative may inspect the item/material as soon as it is received in the stores to ensure that the supply is in accordance with the specifications laid down in rate contract. (iii) In case of doubts in inspection/ test, same may be got inspected or tested in any laboratory. If the material is not found as per specifications or defective, consignee will not accept the material and shall inform the JKMSCL, J&K within 3 days. Consignee may also simultaneously ask the firm for removal of defect/replacement. The firm shall be bound to remove the defect or replace the defective equipment/item within 15 days of receipt of intimation from the consignee. However, the date of delivery, in case of defective item shall be taken as the date on which the JKMSCL accepts the item after replacement of defective material/removal of defects as the case may be. Wherever defective item is replaced, the inspection / testing charges, if any, shall be borne by the supplier.

	(iv) If required, the consignee may refer inspection committee to match the specification with available reserved sample with the corporation which is submitted by the firm/supplier at the time of technical approval. (v) In case of imported item, the supplier shall ensure that the item shall be inspected by the third-party inspection agency before dispatched to the consignee. In case any un-inspected item has been found in the item received by consignee, the firm shall be solely responsible for it and the JKMSCL shall be free to take suitable necessary action as per terms and conditions of bid documents/agreement against the firm.
17	PACKING AND INSURANCE
	(i) The goods will be delivered at the destination in perfect condition. The firm if so desires may insure valuable goods against loss by theft, destruction or damages by fire, flood, under exposure to weather or otherwise in any situation. The insurance charges will have to be borne by the supplier and the corporation shall not be required to pay any such charges, if incurred. (ii) The firm shall be responsible for the proper packing so as to avoid damages under normal conditions of transport by sea, rail, road or air and delivery of material in good condition to the procurement officer's store. In the event of any loss, damage, breakage or leakage or any shortage the firm shall be liable to make good such loss and shortage found at destination after the checking/inspection of material by the consignee. No extra cost on such account shall be admissible. The firm may keep its representative to verify any damage or loss discovered at the consignee's store, if it so likes. (iii) Packing, cases, containers and other allied material if any shall be supplied free, except where otherwise specified by the firm(s) and agreed by the JKMSCL and the same shall not be returned to him.
18	REJECTION
	(i) Articles not as per specifications/or not approved shall be rejected by the JKMSCL and will have to be replaced by the supplier firm at his own cost within 15 days or as time limit fixed by the JKMSCL. (ii) All the stores supplied shall be of the best quality and conforming to the specification, trademark laid down in the schedule attached to agreement and in strict accordance with and equal to the approved, standard, samples. In case of any material of which there are no standards or approved samples, the supply shall be of the best quality to be substantiated by documents. The decision of Managing Director JKMSCL as to the quality of stores be final and binding upon the bidder. In case any of the articles supplied are not found as per specification or declared sub-standard/spurious, that shall be liable to be rejected and any expenses of loss caused to the supplier as a result of rejection of supplies shall be entirely at his account. (iii) The rejected item must be removed by the firm, within 15 days of the date of intimation of rejection. The officials concerned will take reasonable care of such material but in no case shall be responsible for any loss, damage, shortage that may occur while it is in their premises.

	(iv) No payment shall be made for defective/incorrect items. However, if payment has been made, then defective items shall be allowed to be removed only after the firm replaces material as per specifications, duly inspected. If the payment has not been made, the firm may be allowed to remove the material without prior replacement (provided firm has performance security as per condition No. 18). Joint inspection of defective material may be carried out as required by the JKMSCL. However, sample of ISI marked material found defective shall be kept by consignee for reference to BIS. (v) In case firm wants to take back item to their works for rectification then firm has to deposit payment received against such defective supplies. In case supplier has not received any payment then material be returned to supplier firm for rectification. The Bidder shall be responsible for the proper packing and delivery of the material to the consignee. In the event of any loss, damage, or breakage, leakage or shortage in transit, the Bidder shall be responsible. No extra cost on such account shall be admissible.
19.	CORRECTION OF ARITHMETIC ERRORS
	Provided that a financial bid is substantially responsive, the procuring entity will correct arithmetical errors during evaluation of financial bids on the following basis: (i) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the procuring entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected; (ii) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected. (iii) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to clause (a) and (b) above. If the bidder that submitted the lowest evaluated bid does not accept the correction of errors, its bid shall be disqualified and its bid security shall be forfeited or its bid securing declaration shall be executed.
20	PROCURING ENTITY'S RIGHT TO VARY QUANTITY:
	(i) The quantity of equipments and instruments originally indicated in the bidding document may vary without any change in the unit prices and other terms and conditions of the bid and the conditions of contract. (ii) If the Managing Director JKMSCL J&K procures less than the quantity indicated in the bidding documents the bidder shall not be entitled for any claim or compensation except otherwise provided in

	the conditions of contract. (i) If the Bidder fails to supply the Managing Director JKMSCL J&K shall be free to arrange/procure the items and the extra cost incurred shall be recovered from the Supplier.
21.	PARALLEL RATE CONTRACT The JKMSCL may also execute parallel rate contract to with more than one firm for each item on the lowest approved rates on the same terms and conditions, if the original lowest one each not in a position to supply material as per JKMSCL requirement. (i) To ensure sustained supply without any interruption, the bid inviting authority reserves the right to approve more than one supplier to supply the requirement among the qualified bidders. (ii) Orders will be placed with Lowest I (L-1) firm. However, in case of any exigency at the discretion of the bid inviting authority, the orders may also be placed with the other firms, in the ascending order, L-2, L-3 and so on who have matched with the L-1 rates and executed agreement with corporation on same rates (L1), terms and conditions. (iii) After the conclusion of financial bid opening (Cover B) the lowest offer of the bidder is considered for negotiation and rate arrived after negotiations is declared as L-1 rate and L-1 supplier for an item for which the bid has been invited. (iv) The bid who has been declared as L-1 supplier for certain item shall execute necessary agreement for the supply of the required quantity of such item on depositing the required amount performance security and on execution of the agreement such bidder is eligible for the placement of supply orders. (v) JKMSCL will inform the L-1 rate to the bidders who had qualified for financial bid (Cover B) opening, inviting their consent to match with the L-1 rates for the item/items quoted by them and the bidders who agree to match L-1 rate, will be considered as matched L-1 (vi) The bidder who agrees to match L-1 rate shall furnish the breakup detail (Rate, GST, CUSTOM DUTY etc.) of rates (L-1 rates). (vii) The supplier, on receipt of the supply orders deems that the purchase orders exceed the production capacity declared in the bid documents and the delay would occur in executing the order, shall inform the JKMSCL immediately without loss of time and in executing the order, shall be returned within 7 days from the date of issuing order, failing which the supplier would be deprived from disputing the imposition of liquidated damages, and penalty for the delayed supplies. (viii) If the L-1 supplier has failed to supply / intimated JKMSCL about his inability / delay in supply as per the supply order, the required items within the stipulated time or as the case may be, JKMSCL may also place purchase orders with the matched L-1 Bidders for purchase of

	the items provided such matched L-1. Bidders shall execute necessary agreement indicating the production capacity as specified in the bid document on depositing the required amount. Such bidder is eligible for the placement of purchase orders for the item quoted by them. (ix) Subject to para (vii) above, while JKMSCL has chosen to place purchase orders with matched L-1 supplier and there are more than one such matched L-1 supplier, then the purchase orders for the requirement of items will be placed with L-2 first on matched rates of L-1 and in case L-2 does not have the required capacity than L-3 would be considered on matched L-1 rates and the same order would be flowed in case of L-3, L-4, etc. (x) The matched L-1 supplier, on placement of purchase orders, will be deemed as L-1 rate supplier for the purpose of the bid and all provisions of the bid document applicable to L-1 rate bidder will apply to the matched L-1 supplier. (xi) If the supplier fails to supply the item for the purchase orders, at any point of time, either fully or partly, within the stipulated time, JKMSCL is at liberty to place purchase orders with other bidders (in ascending order, viz, L-2, L-3 and so on) at the price offered by then and in such cases the supplier is liable to indemnify JKMSCL, without any protest or demur, for the difference in cost incurred by JKMSCL and the JKMSCL is entitled to recover the difference in cost from the amount due / payable to the supplier. (xii) Parallel rate contract may be concluded as described above during any time / currency of rate contract subject to matching of L-1 rates, price fall clause and on same terms and conditions.
22	VALIDITY OF BID:
	Bids shall be valid for a minimum period of 120 days from the date of opening of technical bid. Prior to the expiry of the period of validity of bid, the procuring entity, may request the bidders to extend the bid validity period for an additional specified period of time. A bidder may refuse the request and such refusal shall be treated as withdrawal of the bid but in such circumstances bid security shall not be forfeited.
23	PRICE ESCALATION:
	Price escalation or price variation shall not be applicable or considered under any circumstances for the purchases made under this bid or agreement. However, the provisions provided for tax variations are exclusive to this clause.
24	SUBLETTING OF CONTRACT:
	Subletting or assigning contract to third party is prohibited. In the event of bidder violating this condition, the Jammu and Kashmir Medical Supplies Corporation Limited shall be at liberty to place the contract elsewhere on the Bidder's account and at his risk. The bidder shall be liable

	for any loss or damage, which the Government may sustain in consequence or arising out of such replacement of the contract.
25	FALL CLAUSE:-
	(i) The prices under contract shall be subject to price fall clause. The prices charged for the store supplies under the contract by successful bidder shall in no event exceed the lowest price at which the successful bidder sells the stores of identical description to any other persons during the period of the contract anywhere in India. If any time, during the period of the contract, the bidder reduces the sales price chargeable under the contract, he shall forth with notify such reduction to the JKMSCL, J&K and the price payable under the contract for the stores supplied after the date of coming into force of such reduction or sale shall stand reduced correspondingly. It imply that if the contract holder quotes/ reduces its price to render similar goods at a price lower than the contract price to anyone in the State /UT of India at any time during the currency of contract including extension period, the contract price shall be automatically reduced with effect from the date of reducing or quoting lower price for all delivery of subject matter of procurement under contract and the contract shall be amended accordingly. (ii) The firms holding parallel rate contract shall also reduce their price. Firms shall notify their reduced price and intimate their acceptance to the revised price within 15 days to JKMSCL. Similarly, if parallel rate contract holding firm reduced its price during currency of the rate contract, its reduced price shall be conveyed to other parallel rate contract holding firms and the original rate contract holding firms for corresponding reduction in their prices. If any rate contract holding firm does not agree to reduce price, further transaction with it, shall not be conducted.
26	COMPLIANCE WITH THE CODE OF INTEGRITY AND NO CONFLICT OF INTEREST:
	Any person participating in a procurement process shall- - Not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process; - Not misrepresent or omit misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation; - Not indulge in any collusion, bid rigging or any-competitive behavior to impair the transparency, fairness and progress of the procurement process; - Not misuse any information shared between the procuring entity and the bidders with an intent to gain unfair advantage in the procurement process; - Not indulge in any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any part or to its property to influence the procurement process; - Not obstruct any investigation or audit of a procurement process;

	g) Disclose conflict of interest, if any; and h) Disclose any previous transgressions with any entity in India or any other country during the last three years or any debarment by any other procuring entity. Conflict of Interest : The bidder participating in a bidding process must not have a conflict of interest. A conflict of interest is considered to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations. A bidder may be considered to be in conflict of interest with one or more parties in bidding process if, including but not limited to : - Have controlling partners/shareholders in common; or - Receive or have received any direct or indirect subsidy from any of them; or - Have the same legal representative for purposes of the bid; or - Have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another bidder, or influence the decisions of the procuring entity regarding the bidding process; or - The bidder participates in more than one bid in a bidding process. Participation by a bidder in more than one bid will result in the disqualification of all bids in which the bidder is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a bidder, in more than one bid; or - The bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specification of the goods, works or services that are the subject of the bid; or bidder or any of its affiliates has been hired (or is proposed to be hired) by the procuring entity as engineer-in charge/consultant for the contract. Bidder or any of its affiliates has been hired (or is proposed to be hired) by the Procuring Entity as engineer-in-charge / consultant for the contract.
27	All correspondence in this connection should be addressed to the Managing Director JKMSCL, J&K. Technical questions should be referred to the Managing Director JKMSCL, J&K direct by correspondence or by personal contact.
28	- Direct or indirect canvassing on the part of bidders or their representative shall disqualify their bids. - Supplier may be disqualified, banned or suspended from business during the rate contract if : - fails to execute a contract or fails to execute it satisfactorily; - no longer has the technical staff or equipment considered necessary; - is declared bankrupt or insolvent or its financial position has become unsound, and in the case of a limited company, it is

	wound-up or taken into liquidation; (d) The firm is suspected to be doubtful loyalty to state. (e) The State Bureau of Investigation (SBI) or any other Investigating agency recommends such a course in respect of a case under investigation. (f) Managing Director JKMSCL, J&K is prima- facie of the view that the firm is guilty of an offence involving moral turpitude in relation to business dealings, which if established would result in business dealing with it banned.
29	No action on the letter head of the bidder /firm regarding any complaints against the JKMSCL will be considered unless the letter head bears the signature of the bidder or the authority higher than the bid signatory of the firm.
30	(i) If any certificate/documents/information submitted by the bidder found to be false/ forged/ fabricated/vexatious or frivolous or malicious appeals or complaints etc. than bidder shall be liable for the appropriate legal action along with disqualification, banning, suspension etc. for limited or unlimited period. (ii) Bidders are required to submit wanted information (if any) based on the facts. If the furnished information by the firm found to misleading or not based on facts disciplinary action against the firm may be taken as to banning concerned item/items for certain or uncertain period.
31	The JKMSCL reserves the right to accept any bid not necessarily the lowest. The JKMSCL may reject any bid without assigning any reasons and accept bid for all or anyone or more of the articles for which bidder has been given or distribute items of stores to more than one firm/supplier.
32	GRIEVANCE
	Grievance regarding interpretation of any clause of the contract/agreement executed between the parties shall be referred to Managing Director, JKMSCL for its clarification.
33	ARBITRATION
	33.1 Governing Law: This NIT shall be governed by and construed in accordance with the laws of the Union Territory of Jammu and Kashmir and the laws of India as applicable to the Union Territory of Jammu and Kashmir. 33.1.1 Amicable Settlement: Either party is entitled to raise any claim, dispute or difference of whatever nature arising under out of or in connection with the NIT including its existence or validity or termination (collectively "dispute") by giving a written notice to the other party, which shall contain i. a description of the dispute ii. the ground for such dispute iii. all written material in support of its claim 33.1.2 The other party shall, within thirty days of issuance of dispute notice issued, furnish:

	I. Counter claim and defenses, if any, regarding the dispute; and II. All written material in support of its defenses and counter claim 34.1.3 Within thirty days of issuance of notice by any party pursuant to para 29.1.2 both the parties to the dispute shall meet to settle such dispute amicably. If the parties fail to resolve the dispute amicably within thirty days of the receipt of the notice referred to in the above para the dispute shall be referred to Managing Director, JKMSCL, J&K for its reference to arbitration. Dispute Resolution: Besides, as referred above may also include any dispute arising out of contract with regard to the interpretation, meaning and breach of the terms of the contract, the matter shall be referred to the Administrative Department H&ME, who will, through Law Department, appoint a senior most officer as sole Arbitrator, of the dispute, who will not be related to this contract and whose decision shall be final and binding on both the parties. The Arbitrator proceedings shall be governed by the Arbitration and Conciliation Act, 1996. The venue of the Arbitration shall be in the UT of Jammu and Kashmir. Note: - Small grievances regarding interpretation of any clause of the Contract / Agreement executed between the parties shall be referred to Managing Director, JKMSCL for its clarification and such interpretation(s) given shall not become subject matter for reference to Arbitration
34	The JKMSCL will have the right of rejection of all or any of the bids without assigning any reason for the same. The right to conclude parallel rate contracts with another firm for the stores detailed in Table I is also reserved by the Managing Director JKMSCL, J&K
35	Extra stipulation or any other condition contrary to the above bid conditions are not acceptable and may render the bid liable to rejection.
36	The bidder must sign all the pages of bid document at the below of terms & conditions agreeing to abide by all conditions of the bid and accept them in toto. The Signing of Annexure A1 shall be treated as acceptance of all the terms and conditions of the bid document.
37	The Managing Director JKMSCL, J&K may relax or change/ modification in terms and conditions in the exigency excluding fundamental changes. In case of such urgency the terms & conditions shall be got approved from Purchase committee of Managing Director JKMSCL, J&K as the case may be.
38	JURISDICTION:- All actions, legal proceedings and suits arising from or connected to this bid shall be subject to the exclusive jurisdiction of courts in J&K only.

Section VI B: - Special Conditions of Contract (SCC)

The following Special Conditions of Contract (SCC) shall supplement the General Conditions of Contract (GCC). Whenever there is a conflict, the provisions herein shall prevail over those in the GCC. The clauses of special conditions of contract are as follows:-

Clause No.	Particulars
1.	Technical details, bid security, tender cost, tender processing fee and all other required documents should be uploaded under Cover "A" Technical Bid and financial details (BOQ) should be uploaded under Cover "B" . No document except financial instrument (DD/FDR) & catalogues of the bid items shall be entertained physically by the Corporation.
2.	Pre-requisite, if any, for installation, including UPS, computer, printer, and other items should be provided by the firm in technical bid and financial bid respectively.
3.	Firm shall provide comprehensive maintenance with spare parts for item(s), as mentioned in Technical specification (from the date of installation / demonstration).
4.	Conditional bids shall not be considered.
5.	Normally, payment shall be released after installation, demonstration and successful commissioning of equipment/ITEM and satisfactory operational training.
6.	All certificates should be valid on the date of submission of bids and issue of supply order.
7.	The bidder should have well equipped local service center in India preferably in J&K.
8.	i. The bidder shall be a manufacturer/direct importer/authorized representative of the original manufacturer/importer who must have manufactured/ imported and supplied and installed this equipment(s) in India satisfactorily. ii. The merger / amalgamation / transfer of business / transfer of assets etc. of a firm affects the bid condition relating to 'past performance' in preceding years. In cases where bidder acquired an ongoing business or assets of another entity, eligibility in respect of the past performance and condition relating to minimum turn over in preceding years shall be decided based on specific mention in purchase and transfer of ownership agreement / agreement of sale of business and / or its assets / board of directors (B.O.D) resolution chartered accountant certification or any other document (s) in this regard, which the bidder shall have to submit preferably with the bid. The eligibility of a bidder in this regard shall be ascertained by the purchase committee on the basis of the above stated agreement or any other document(s) and the decision of purchase committee shall be final.

9.	The name, make, model and brand of equipments, which are offered, should be mentioned in against each item. Mere indication of English/USA/Indian will not serve the purpose.
10.	In the case of supply of imported item the suppliers may be asked to furnish a certificate to the effect that the firm has completed all the formalities in connection with import of the item in question.
11.	In case the item approved by the JKMSCL is procured by any other department on the rate contract of JKMSCL, the administrative charges to the extent of 5% of the invoice value shall be deposited by the approved firm or else, the firm/supplier shall be liable to be penalized which may lead to blacklisting/debarring from entering into the tender process for not less than 05 years by JKMSCL besides forfeiture of earnest money or any other action as deemed fit by the Managing Director, JKMSCL.
13	The Supplier/service providing firm shall be liable to pay a penalty of Rupees five thousand per day , if the firm didn't respond after 48 hours from the time of receiving first complaint. The complaint may be sent to firm by way of telephone /fax/letter or e-mail. The amount of liquidation damage shall be directly deducted from the security deposit of the firm at the time of refund or before by way of any adjustment order. All breakdown calls to be attended within 24 hrs at (within city limits) and 48 hrs for other districts/peripheral areas otherwise the penalty shall be imposed as per penalty clause.
14	In case of any default by the bidder, at any stage of tender or subsequent approval by JKMSCL, for a particular items/s, the Disciplinary Committee/ any other committee constituted for the purpose shall be at liberty to take appropriate action as per provisions of Standard Procurement Procedures (SPP) and / or Policy for Blacklisting of JKMSCL

No company or firm or individual other than M/S _____ are authorized to bid, negotiate and conclude the contract in regard to this business against this specific tender.

I / we, further agree to comply with the conditions specified under Clause 2(a) –Eligibility Conditions, of the tender document. We hereby extend our full warranty as per the tender conditions for the goods offered for supply against this invitation for bid by the above Firm.
Yours faithfully

Name

For and on behalf of M/S

(Name of the manufacturer/Direct Importer)

Note: This letter of authority should be on the letter head of original Manufacturer/Direct Importer of bidding items and should be signed and sealed by the Proprietor/ Managing Director of the firm / authorized signatory and shall have to be duly notarised.

Machinery/Equipment (Bipartite Agreement)

[on Rs. 100/- Non-Judicial Stamp Paper- "Affidavit"]

Agreement: 1

(For Manufacturers/ Direct Importers only)

This deed of agreement is made on this day of 2022 between Jammu & Kashmir Medical Supplies Corporation Limited represented by its General Manager(P&S) having its registered office at Plot No. 58 Friends Colony, Trikuta Nagar, Jammu, 180020 /Opp. State Motor Garage office, Bemina, Srinagar (herein after referred to as "First Party" (Purchaser) which term shall include its successor, representatives, executors assigns, administrator and beneficiaries unless excluded by the contract) and M/s (Original Manufacturer/ Direct Importer) represented by its Proprietor/ Managing Director/ Managing Partner/ Authorized Signatory of the company/ firm having its registered office at and its factory premises at (herein after referred to as "Second Party" (Suppliers) which term shall include its successors representatives, heirs, executors and administrators unless excluded by the contract).

Whereas the (Original Manufacturer/ Direct Importer) (Second Party)) have agreed to supply to First Party (Purchaser),Machinery & Equipment/Instruments with specifications mentioned in the scheduled attached here to at the prices noted herein and in the manner and under the terms and conditions herein after mentioned and whereas the second party has agreed to deposit performances security to first party, equivalent to 5% of the tentative cost/ contract value (rounded to the nearest round number) in the scheduled attached as per clause 11 of the tender document in the form bank of guarantee for the due and faithful performance of this agreement, to be forfeited in the event of Second Party failing duly and faithfully to perform it. Now these presents witness that for carrying out the said agreement in this behalf into execution the Second Part and the First Party (Purchaser) do hereby mutually covenant, declare, contract and agree each of them in the manner following, that is to say,

1. The term "Agreement", wherever used in these connection shall mean and includes the terms and conditions contained in the invitation to bid floated for the rate contract cum supply for Machinery & Equipment/Instruments for Jammu & Kashmir Medical Supplies Corporation Limited (Rate Contract for two years (24) months period, extendable for another three (03) months with mutual consent) (NIT/JKMSCL/M&E/2022/..... dated and technical bid opened on , the instructions to bidders, the condition of bid, acceptance of bid, particulars herein after defined and those eligibility criteria, general conditions and other conditions that may be added from time to time.

2.1. The agreement is for the supply, by the Second Party (Suppliers) to the First Party (Purchaser), of the Machinery & Equipment/Instruments on terms and conditions set forth in the agreement.

2.2. This agreement shall be deemed to have come into force with effect from the date of signing of the agreement and it shall remain in force up to a period of two years (24) months which can further be extended for another three (03) months with mutual consent of First Party and Second Party.

2.3. The bid quantity noted against each item in the scheduled attached here to indicates only the probable/ tentative total requirement of the First Party in respect of each item for the agreement period indicated in clause “2.2” above. This quantity may increase or decrease at the discretion of the First Party. The Second Party (Supplier) shall make supplies of the Machinery & Equipment/Instruments on the basis of Purchase order only placed on him/ her from time to time by the ordering authority of First Party (Purchaser-JKMSCL) specifying the quantity required to be supplied at a specific location/ locations within the UT of Jammu and Kashmir.

2.4. The Second Party shall have no right/ query regarding placing of orders against the tentative requirement mentioned in the schedule enclosed which may increase or decrease or First Party may not issue any order for certain item/ items mentioned therein the schedule enclosed/ tentative/ Indicative quantity.

2.5. The release of payment shall be as per terms and conditions/ payment clause 17 of the tender document and after successful installation of the Machinery/Equipments at the end user site and after due verification of bills by the end user department and deduction and penalties as per the clause 18 & 19 of the tender document.

3. SUPPLIES ON THE RATE CONTRACT OF JKMSCL:

The Second Party shall in no case, use the rate contract of JKMSCL for making supplies and / or comparing of rates to/ with any of other department(s)/ agency(ies)/ NGO etc. In case Second Party/ firm/bidder/ manufacture /importer shall provide/supply any of the product item of **Identical descriptions/ Specifications**, at the rate contract /approved by JKMSCL to any of the department/NGO/other procuring institute within or outside the Union Territory of J&K. In case any supply is made in violation to the said condition (or), the supplier/ firm shall be liable to be penalized to the tune of 7.5% of order placed as per the provisions of standard procurement (SPP) of JKMSCL and further the Second Party shall be liable to be considered for Debarring/ Blacklisting for a period not less than five years.

4. TERMINATION OF CONTRACT ON BREACH OF CONDITION.

4.1. In case the supplier fails or neglects or refuse to faithfully perform any of the covenants on his part herein contained, it shall be lawful for the First Party to forfeit the amount deposited by the supplier (second party) as performance security and cancel the contract.

4.2. In case the Second Party neglects or refuse to observe, performs, fulfil and keep, or any one or more or any part of any one of covenants, stipulation and provisions herein contained, it shall be lawful for the First Party on any such failure, neglect or refusal, to put an end to this agreement and there upon on every article, cause and thing herein contained on the part of First

Party shall cease and be void and in case of any damage, loss, expenses, differences in cost or other from out of deposit/ due for the time being payable to the Second Party under this and/ or any other contract and in case such last mentioned deposit/ dues are insufficient to cover all such damages, loses, expenses, difference in cost and other deposit as aforesaid, it shall be lawful for the First Party to appropriate the performance security made by the supplier as herein before mentioned to reimburse all such damages, losses, expenses and difference in cost and other money as the purchaser shall be sustained, incurred or been put to by reason of the Second Party (Supplier) having been guilty of any such failure negligence or refusal as aforesaid or other breach in the performance of this contract.

4.3. If any time during the course of contract it is found that the information furnished by the Second Party (Supplier) to the First Party (Purchaser) either in his bid or otherwise, is false, the purchaser may put on end to the contract/ agreement wholly or in part and thereupon the provision of clause “4.1” above shall apply or any other action are deemed fit by the First Party may also apply.

4.4. The First party (Purchaser-JKMSCL) reserves the right to terminate, without assigning any reasons the contract/ agreement either wholly or in part, without any notice to the Second Party. The Second Party shall not be entitled for any compensation what so ever in respect of such termination of the contract/ agreement by the First Party.

5. All certificates or notices or orders for time or for extra, varied or altered suppliers which are to be the subject of extra or varied charges whether so described in the Agreement or not, shall be in writing and unless in writing shall not be valid, bidding or be of any effect what so ever.

6.The Second Party (Supplier) shall not be in any way interested in or concerned directly or indirectly with any of the officer, subordinate or servants of the First Party. In any trade, business or transaction nor shall the Second Party give or pay or promise to give or pay any such officer, subordinate, servant directly or indirectly any money or fee or other consideration under designation of “Custom” or otherwise; nor shall the Second Party permit any person or persons whomsoever to interfere in the management or performance hereof under the Power of Attorney or otherwise without the consent in writing of the First Party obtained in first hand.

7. In case the Second Party (Suppliers) at any time during the continuance of the contract becomes bankrupt of or in solvent or commits any act of bankrupt or insolvency under the provisions of any law in that behalf for the time being in force or should compound with his creditors, it shall be lawful for the First Party to put an end to the agreement and there upon on every article , clauses and thing herein contained to be operative on the part of the purchaser, shall cease and be void and the First Party shall have all the rights and remedies given to him under the preceding clauses.

8. SERVING OF NOTICE TO SUPPLIER

8.1. All notice or communication relating to or arising out of this agreement or any of the terms thereof shall be considered duly served on or given to the Second Party (Suppliers) if delivered to him or left at his/ her premises, place of business or abode.

9. And it is hereby agreed and declared between the parties hereto that in case any question of dispute arises touching the construction or wording of any of clause herein contained the rights, duties, liabilities of the parties hereto or any other way, touching or arising out of the presents the decision of the Managing Director, JKMSCL in the matter shall be final and binding.

10. All disputes arising out of this agreement and all questions relating to the interpretation of this agreement shall be decided by first and the final appellant authority and decision of said authority shall be final.

11. The following documents shall be deemed to form & be read & construed as part of this agreement:

- a) LOI
- b) NIT & Corrigendum issued thereof, if any.

11.1 Secondparty shall indemnify and keep the First party free from any harm, against all losses, expenditures, damages, costs & claims incurred or suffered by or made against the Second/Third party by reason of any breach by the same of any of its obligations, covenants, representations & warranties.

11.2 NIT Ref. No: NIT/JKMSCL/M&E/2022/.....dated.....

11.3 List of Equipment(s), accessories, optional items (if any) under this agreement.

12. All terms and conditions of the NIT shall be the part of this agreement.

Machinery/Equipment (Tripartite Agreement)

[on Rs. 100/- Non-Judicial Stamp Paper- “Affidavit”]

Agreement: 2

(Tripartite Agreement for Authorized Agents/Dealers/Facilitators)

This deed of agreement is made on this day of 2022 between Jammu & Kashmir Medical Supplies Corporation Limited represented by its General Manager (P&S) having its registered office at Plot No. 58 Friends Colony, Trikuta Nagar, Jammu, 180020 /Opp. State Motor Garage office, Bemina, Srinagar (herein after referred to as “First Party” (Purchaser) which term shall include its successor, representatives, executors assigns, administrator and beneficiaries unless excluded by the contract), M/s (Original Manufacturer/ Direct Importer) represented by its Proprietor/ Managing Director/ Managing Partner/ Authorized Signatory of the company/ firm having its registered office at and its factory premises at (herein after referred to as “Second Party” (Suppliers) which term shall include its successors representatives, heirs, executors and administrators unless excluded by the contract) and M/s (Authorized agent/ dealer/ facilitator) represented by its Proprietor/ Managing Partner/ Managing Director having its registered office at (herein after referred to as “Third Party”- (Authorized Agent/ Suppliers/ Dealers) of Second Party, which term shall include its successors representative, heirs, executors and administrators unless excluded by the contract).

Whereas the (Original Manufacturer/ Direct Importer) (Second Party/ Third Party (Authorized agents/ dealer)) have agreed to supply to First Party (Purchaser), Machinery & Equipment/Instruments with specifications mentioned in the scheduled attached here to at the prices noted herein and in the manner and under the terms and conditions herein after mentioned and whereas the second party/ third party have agreed to deposit performances security to first party, equivalent to 5% of the tentative cost/ contract value (rounded to the nearest round number) in the scheduled attached as per clause 11 of the tender document in the form of bank guarantee for the due and faithful performance of this agreement, to be forfeited in the event of Second Party/ Third Party failing duly and faithfully to perform it. Now these presents witness that for carrying out the said agreement in this behalf into execution the Second Part/ Third Party, and the First Party (Purchaser) do hereby mutually covenant, declare, contract and agree each of them in the manner following, that is to say,

1. The term “Agreement”, wherever used in these connection shall mean and includes the terms and conditions contained in the invitation to bid floated for the rate contract cum supply for Machinery & Equipment/Instruments for Jammu & Kashmir Medical Supplies Corporation Limited (Rate Contract for twenty-four (24) months period, extendable for another three (03) months with mutual consent) (NIT/JKMSCL/M&E/2022/.....dated.....and technical bid opened on....., the instructions to bidders, the condition of bid,

acceptance of bid, particulars herein after defined and those eligibility criteria, general conditions and other conditions that may be added from time to time.

2.1. The agreement is for the supply, by the Second Party/ Third Party (Suppliers) to the First Party (Purchaser), of the Machinery & Equipment/Instruments on terms and conditions set forth in the agreement.

2.2. This agreement shall be deemed to have come into force with effect from the date of signing of the agreement and it shall remain in force upto a period of twenty-four (24) months period which can further be extended for another three (03) months with mutual consent of First Party and Second Party/ Third Party.

2.3. The bid quantity, if mentioned against each item in the schedule indicates only the probable/ tentative total requirement of the First Party in respect of each item for the agreement period indicated in clause “2.2” above. This quantity may increase or decrease at the discretion of the First Party. The Second Party/ Third Party (Supplier) shall make supplies of the Machinery & Equipment/Instruments on the basis of Purchase order only placed on him/ her from time to time by the ordering authority of First Party (Purchaser-JKMSCL) specifying the quantity required to be supplied at a specific location/ location within the UT of Jammu and Kashmir.

2.4. The Second Party/ Third Party shall have no right/ query regarding placing of orders against the tentative requirement mentioned in the schedule enclosed which may increase or decrease or First Party may not issue any order for certain item/ items mentioned therein the schedule enclosed/ tentative/ Indicative quantity.

3. AUTHORIZED AGENTS/ DEALERS OF SECOND PARTY:

3.1. In this agreement, the Second Party (Original Manufacturer/ Direct Importers) have authorised M/s ; (Third Party) as Agent/ Distributors/ Dealers to submit bid, to negotiate with First Party, to raise invoice and receive payment on behalf of Second Party; and as such, supplies shall be endorsed by the Second Party M/s (Original Manufacturer/ Direct Importers) and original copy of delivery challan of Second Party towards the Third Party for such supplies shall be endorsed along with invoice submitted by Third Party to First Party.

3.2. The Corporation under such arrangements shall have a right to secure confirmation to authority of suppliers from Second Party before releasing the payments.

3.3. The release of payment shall be as per terms and conditions/ payment clause 17 of the tender document and after successful installation at end user site and proper verification of bills from the end user department and deduction & penalties as per the clause 18 & 19 of the tender document.

4. SUPPLIES ON THE RATE CONTRACT OF JKMSCL:

The Second Party or Third Party shall in no case, use the rate contract of JKMSCL for making supplies and / or comparing of rates to/ with any of other department(s)/ agency(ies)/ NGO etc. In case Second Party/ Third Party supplies any of the item(s) at the rate contract or provides the document for comparison of rates or otherwise, to any other department(s)/ agency(ies)/ NGO(s) etc, the defaulted Second Party or Third Party, wherever applicable, shall have to pay 7.5% of the total invoice value of the product(s) supplied to other department(s)/ agency(ies) etc at the rate contract of JKMSCL as penalty to the first party (JKMSCL-purchaser) and further the Second Party/ Third Party shall be liable to be considered for Debarring/ Blacklisting for a period not less than five years.

5. TERMINATION OF CONTRACT ON BREACH OF CONDITION.

5.1. In case the supplier fails or neglects or refuse to faithfully perform any of the covenants on his part herein contained, it shall be lawful for the First Party to forfeit the amount deposited by the supplier (second party/ third party) as performance security and cancel the contract.

5.2. In case the Second Party/ Third Party fails, neglects or refuse to observe, performs, fulfil and keep, or any one or more or any part of any one of covenants, stipulation and provisions herein contained, it shall be lawful for the First Party on any such failure, neglect or refusal, to put an end to this agreement and there upon on every article, clause and thing herein contained on the part of First Party shall cease and be void and incase of any damage, loss, expenses, differences in cost or other from out of deposit/ due for the time being payable to the Second Party/ Third Party under this and/ or any other contract and in case such last mentioned deposit/ dues are insufficient to cover all such damages, loses, expenses, difference in cost and other deposit as aforesaid, it shall be lawful for the First Party to appropriate the performance security made by the supplier as herein before mentioned to reimburse all such damages, losses, expenses and difference in cost and other money as the purchaser shall be sustained, incurred or been put to by reason of the Second Part/ Third Party (Supplier) having been guilty of any such failure negligence or refusal as aforesaid or other breach in the performance of this contract.

5.3. If any time during the course of contract it is found that the information furnished by the Second Party/ Third Party (Supplier) to the First Party (Purchaser) either in his bid or otherwise, is false, the purchaser may put an end to the contract/ agreement wholly or in part and thereupon the provision of clause “5.1” above shall apply or any other action are deemed fit by the First Party may also apply.

5.4. The First party (Purchaser-JKMSCL) reserves the right to terminate, without assigning any reasons the contract/ agreement either wholly or in part, without any notice to the Second Party/ Third Party. The Second Party/ Third Party shall not be entitled for any compensation what so ever in respect of such termination of the contract/ agreement by the First Party.

6. All certificates or notices or orders for time or for extra, varied or altered suppliers which are to be the subject of extra or varied charges whether so described in the Agreement or not, shall be in writing and unless in writing shall not be valid, binding or be of any effect what so ever.

7. The Second Party/ Third Party (Supplier) shall not be in any way interested in or concerned directly or indirectly with any of the officer, subordinate or servants of the First Party. In any trade, business or transaction nor shall the Second Party/ Third Party give or pay or promise to give or pay any such officer, subordinate, servant directly or indirectly any money or fee or other consideration under designation of “Custom” or otherwise; nor shall the Second Party/ Third Party permit any person or persons whomsoever to interfere in the management or performance hereof under the Power of Attorney or otherwise without the consent in writing of the First Party obtained in first hand.

8. In case the Second Party/ Third Party (Suppliers) at any time during the continuance of the contract becomes bankrupt of or in solvent or commits any act of bankrupt or insolvency under the provisions of any law in that behalf for the time being in force or should compound with his creditors, it shall be lawful for the First Party to put an end to the agreement and there upon on every article , clauses and thing herein contained to be operative on the part of the purchaser, shall cease and be void and the First Party shall have all the rights and remedies given to him under the preceding clauses.

8.1. In case Third Party, (Authorized Agent/ Dealer/ facilitator- clause 3) at any time during the continuance of the contract become bankrupt of or insolvent or commits any act of bankrupt or insolvency either provisions of any law in that behalf for the time being in force, or should compound with his creditors, the Second Party, (Original Manufacturer/ Direct Importers) shall be bound to continue with the supplies directly for the First Party till the completion of contract otherwise it shall be lawful for the purchaser to put an end to the agreement and thereupon every article, clause and thing herein contained to be operative as part of First Party, shall cease and be void and the First Party shall have all the rights and remedies given to him under the preceding clauses.

8.2 SERVING OF NOTICE TO SUPPLIER

All notice or communication relating to or arising out of this agreement or any of the terms thereof shall be considered duly served on or given to the Second Party/ Third Party (Suppliers) if delivered to him or left at his/ her premises, place of business or abode.

9. And it is hereby agreed and declared between the parties hereto that in case any question of dispute arises touching the construction or wording of any of clause herein contained the rights, duties, liabilities of the parties hereto or any other way, touching or arising out of the presents, the decision of the **Managing Director, JKMSCL** in the matter shall be final and binding.

10. All disputes arising out of this agreement and all questions relating to the interpretation of this agreement shall be decided by first and the final appellant authority as reflected in NIT and decision of said authority shall be final.

11. The following documents shall be deemed to form & be read & construed as part of this agreement:

- c) LOI
- d) NIT & Corrigendum issued thereof, if any.

11.1 Second/Third party shall indemnify and keep the First party free from any harm, against all losses, expenditures, damages, costs & claims incurred or suffered by or made against the Second/Third party by reason of any breach by the same of any of its obligations, covenants, representations & warranties.

TECHNICAL SPECIFICATIONS:

SPECTHICATIONS OF CARM 15KW WIH FLAT PANEL DETECTOR

Microprocessor controlled C-arm machine with EPD should provides the excellent image quality at low radiation, ideally suited for general surgeries in many application fields and special application such as orthopedics, urology. Gastroenterology. Pain management. Spine fixation. Neurology & angiographs procedures.

A) FLAT PANEL DETETCOR:

- Receptor Type should be of Amorphous Silicon technology
- Conversion Screen should be of Cs!
- FPD with 30 x30cm s/c should be provided
- Image Matrix should be I.5Kx I .5K.
- Pixel pitch should be 150 μ m
- ADC conversion should be l6 bits

B) Monitor on Trolley:

- I No 32" LCD/ TFT Display colored monitor with split screen for Live & Reference Image display will be provided.

C) Monitor on C-carriage:

- 13.3 Touch screen console mounted on "C" carriage to operate the machine.

D) C-ARM MOVEMENTS: Fully counter balanced all movements.

- Rotation $\pm$ 180 Degrees.
- Motorized Up/down: 430mm or more.
- Horizontal Travel: 200 mm or more.
- Are Orbital Movement: 165 Degrees.
- Wig Wag: $\pm$ 12.5 Degrees.
- Source to Image distance should be 1000mm.
- Depth of "C" should be at least 675mm
- Free space should be 850mm or more

E) X-RAY GENERATOR:

- High Frequency (50 KHz) or more
- Output power should be 15KW or more.

- Fluoro & Rad Kv 40 to 120 KV.
- Digital Spot: 150mA or more.
- Pulse Fluoroscopic mA (peak): -
- 0.2mA to 15mA or more (pulsed Fluoroscopy Mode)
- 0.2mA to 30mA or more (Pulsed Cine mode)

F) X-RAY TUBE:

- Monoblock tube head having dual focus Rotating anode X-Ray tube of focal spot 0.3mm (small focus) & large focus (0.6mm) should be provided.
- The anode Heat Storage capacity should be min 300kHU.
- Parallel shutter collimator with Preview Collimation should be provided.

G) CONTROL: Control should have the following.

Touch screen monitor mounted on C-arm carriage for Image & Exposure parameters control In which KV. mAs, fluoro time. FmAs. Magnification, Error interlock for KV. filament, thermal are displayed on Touch Screen with following functions and indications: -

- Image rotation & Flip.
- Fluoroscopy timer (Five-minute cumulative timer with buzzer that activates after the completion of 300seconds of exposure and to reinitiate the exposure reset switch).
- X-Ray ON indicator.
- Collimator open/close switches.
- Metal Compensated ABS (Automatic brightness stabilization) selection for hand free operation- also known as ADR.
- KV and mAs increase and decrease switches.

Others

- Switches for up/down movement of "C" on both sides of machine frame
- Emergency OFF switches mounted on monitor.
- Machine ON/OFF Key switch
- Fluoro. Cine & spot switches on both sides of panel

H) MEMORY SYSTEM should include the following: - Image Acquisition

- Dedicated PC based Image acquisition software based on embedded windows with Image storage capacity of > 50,000 Frames.
- Boosted fluoroscopy (CINE) up-to 30 FPS with real time recording on hard disk drive.
- Digital Radiography (SPOT) exposure mode is available.

- Continuous fluoroscopy exposure mode is available.

DSA

- Up to 13 FPS image acquisition for DSA.
- R-Mask.
- Landmarking (%age based).
- Pixel Shift.

Roadmap

- Real time path map
- Roadmap clear.
- Peak Hold

Pre-Processing Features

- Real time noise with reduction with Averaging up-to 16 and configurable up-to 256
- Recursive filter for image smoothing, DRC, Contrast, Brightness. Sharpness.
- Interactive digital Zoom and Pan
- Pre-programming for image setting for different operating Modes.
- Real Time Image Inversion.
- WW/WL level adjustments.
- Dynamic Noise Reduction Filter (DNF) for moving anatomy.
- Image Flipping and Image Rotation Clock wise or Anti-clock wise.
- Metal compensation.
- Software driven Fast Automatic Brightness System (ABS).
- Live to Reference View Single Monitor.
- Cine Loop Play (Auto and Frame Wise).
- Real time Image Flip (Horizontal/Vertical).
- Colorize image feature.
- Torch feature to view enhanced contrast for particular circular region.
- Real time Heat Unit calculator for remaining heat content available for X-Ray tube.

Collimator

- Ultra-fast Preview collimator.

DAP Module.

- DAP dose integrated in software and total summary for Fluoro. Cine and total dose summary for any patient.

- Real time patient dose monitoring graphical display with overdose warning message.

Full Dose. Half Dose & Quarter Dose

- Three level dose control to facilitate the user to work with selective c dose mode in fluoroscopy.

MAG

- Real Time Three Step Digital MAG

Touch monitor

- Touch based console for frequently used parameters along with image display

DICOM Features

- Connectivity with DICOM workstation/PACS.
- DICOM Send.
- DICOM Print.
- DICOM 3.0 Compliant

Text & Annotation

- Rectangle.
- Ellipse
- Line
- Text.
- Cobb Angle.

Measurements Features

- Stenosis measurement
- Length Measurement
- Area Measurement.
- Angle Measurement.

PACS connectivity.

- Multiple Nodes can be configured.
- Single Multiple Image Tagging to transfer into PACS workstations

Miscellaneous

- Exposure Lock Un -Lock facility.

- Virtual DAP.
- Multi-Language GUI | Support.
- IR Remote Support.
- Electronic Collimator.
- Virtual iris Collimation.
- Paper Printing.
- Different format of image saving like JPG. BMP. TIF. PNG. AVI Loop.
- Mosaic view/image layout 2x2, 3x3, 4x4.
- Image Data export to CD/DVD and USB pendrive.
- Circular Masking.
- Display Effective/peak mA.
- On Screen Help.

I) Power requirement:

- The unit should be operable on Single Phase 230 V $\pm$ 10% AC. 50 Hz
- A suitable rating voltage stabilizer for the unit should be provided.
- UPS for power backup of the software mounted in trolley should be provided

J) OTHER REQUIREMENTS:

- The company should be ISO & ICMED certified for Quality managements systems.
- The unit should be approved by AERB for radiation safety.
- The C-ARM should be US FDA approved for product quality.
- The equipment should have import/manufacturing license for Central licensing Authority of State licensing authority of CDSCO for Medical Devices and copy of valid license should be submitted.
- The company should have a local service center.
- The company should have a proven track record in Govt. sector.
- The company should be ISO 9001:2015 certified and model of the detector should be mentioned on it.
- The X-ray generator, detector and console software should be from same manufacturer of C-arm system for seamless connectivity and consistent image quality.

Digital Slide Scanner for 04 Slides.

1. Have at least 4 slides capacity.
2. Have a removable tray.
3. Support both 1x3" slides as well as 2.3" slides

4. Be installed by the user and operational in less than 20 minutes from being unboxed.
5. Product comes calibrated. Does not require calibration at the customer location.
6. Small footprint for work desk deployed (Physical size less than 20x27x26 cm).
7. Physical weight less than 6kg.
8. Open stage design for easy maintenance and cleaning.
9. Have at least 1,000 Gigabytes of local SSD image storage directly on the device.
10. Ability to use the device remotely over network connection.
11. Ability to automatically scan slides to create digital images to view.
12. Ability to view slides in live mode.
13. Export scanned images via USB, direct download, and network drive and to HTTP. Servers.
14. Support Export scanned image formats: SVS, TIFF, and DICOM.
15. Does not require software to be installed on the user's devices.
16. Support users to utilize the device via computer.
17. Can be operated with both Microsoft Windows and Apple MacOS based computers.
18. Compatible with the following browsers: Chrome, Safari and Edge.
19. Support concurrent operation by more than one user.
20. Network connectivity capabilities via Ethernet.
21. Support Z- Stacking with up to 7 configurable layers.
22. Image resolution is at least 0.25µm/pix for 40x(or 0.50µm/pix for 20x)
23. US FDA Certified/European CE certified.
24. 03 years' warranty, 05 year CMC.
25. Turn Key..

Digital Slide Scanning System with Research Grade Microscope & Image Analysis Software for 60 Slides.

A. Scanner

1. The scanner should be a non-microscope based complete WSI (Whole Slide Imaging) scanner with capability for bright field (H&E, IHC, Cytology, D Dish,) and fluorescence scanning.
2. The scanner should be able to load a minim of 60 standard or 30 mega slides suing slide cassettes (3x20 or 3x10 capacity) in one go along with continuous loading feature as well.

3. Should support glass slides sized 25.0-26.0 mm x 75.0-76.0 mm, with thickness range 0.9 mm to 1.2 mm, and 51.0-52.0 mm wide mega slides.
4. The scanner should be able to prioritize the slides as per user requirements..
5. High speed scanning at a standard rate of 60 seconds per slide or less at 20 x&75 seconds per slide or less at 40x for scanning of 15mm x 15mm tissue area with at least 5 focus points.
6. Should have a resolution of 0.23pixel/ μ m or better when scanning at 40x magnification.
7. The scanner should automatically detect all tissues on a slide. It should be fully automatic.
8. Scanner should be capable of scanning histopathology slides including hematoxylin and eosin (H&E) stain, special stains & IHC slides. It should also be capable of scanning cytology smears D Dish, and frozen sections. Validation of Cytology is mandatory.
9. The scanner should support Z-stacking up to 70 layers with 0.1 μ m step size or better, utilizing pre-focus mapping and also wavelength – specific focus offsets to ensure sharp focus across all tissue depths and multi-stain channels.
10. Should have automated image focus correction, shading correction, auto white balance and automatic machine calibration. Must have internally integrated factory – calibrated slides (for Brightfield & for Fluorescence: Red Green & Blue each) with fully automated, software – initiated calibration – ensuring consistent alignment and illumination without manual errors or downtime.
11. The scanner should automatically assess the quality of scanned image and assign a quality score to identify images that may require visual inspection or rescanning, to improve overall workflow efficiency.
12. It should also have true manual scanning to change all aspects of the scan to give more control to the users, especially for difficult slides.
13. The system should allow creation of custom scanning profiles by adjusting tissue detection sensitivity, focus mode & other parameters.
14. The scanner must include real-time scan failure detection and automatically bypass any failed slide, continuing the batch scan without any user interaction.
15. The system must include all the required software, provided free of cost. The vendor must also ensure that future software updates are included without any additional charges. The software should be compatible with both Windows and MAC OS and if any software is required for compatibility. It should be included in the bid.

16. The Viewing software should have features like zoom in, zoom out, tracking, simultaneous viewing of minimum 12 images, synchronization of images stained with different stains., report generation, annotations, scale bar, color enhancement etc. This software should be installed on the PC & should not be web browser based.
 17. Users should be able to create auto profiles that applies specific scan settings automatically from slide barcode data. It should have selective QC mode for smoother & tailored workflow.
- B. Up gradation: The scanner must be fully onsite –upgradable to a multi-channel fluorescence module supporting up to 6 fluorophores with high –speed automated filter switching real –time multichannel overlay, optimized exposure control to minimize photobleaching, wavelength-specific focus offsets, an integrated high-sensitivity sCMOS camera ($\geq 2048 \times 2048$, $\geq 82\%$ QE) and a $\geq 20,000$ -hour solid –state LED illumination system for uniform, stable fluorescence imaging.
- C. Server (Storage):
1. The system should be supplied with a server with at least 100 TB inbuilt storage at no additional cost. The rate of additional storage should be quoted separately. The system should be flexible for expansion of storage for future. Data access for at least a few years of stored data should be fast. The storage should be at full scanned quality (40x magnifications). The storage must be physical & local RAID (Redundant Array of inexpensive Discs or Drives) Storage on site at the institute supported by necessary rack type servers and not via cloud storage solution. The technical offer should clearly specify the size of the storage (in TB/PB) that has been offered & also should clearly specify the type of storage (tape drive/disk drive etc.)
 2. Specifications:
 - i. Rack type.
 - ii. Processor-Latest Intel Xeon Processor.
 - iii. RAM: Min 64 GB
 - iv. 250 GB SSD RAID 1 (OS)
 - v. 100 TB HDD RAID6 for storage.
 - vi. LAN: 4x1 Gigabit Ethernet + Service LAN
 - vii. Latest Windows/Ubuntu Server.
- D. Workstation:
1. For appropriate viewing and reporting, the system must be supplied with a dedicated workstation with lower orientation, Intel Xeon W-2235 CPU @ 3.80 GHz or better, 32 GB or higher RAM, NVIDIA RTX

A4000 or above graphics, 3TB or more SSD, Medical grade monitor (4K or better) of at least 27"

2. All pathologists should be able to work on the system without any downgrade in the quality of the image. The technical offer should clearly specify the number of concurrent pathologist/users (users accessing the digital WSI (Whole slide image) at the same time) who can access the network without Compromising on user image experience. All necessary licenses to enable this should be provided as a part of technical configuration at no additional cost.
3. Remote access via mobile devices and web-based viewers should be included for at least 10 users at no additional cost.
4. The scanner and the workstation should be supplied with branded online UPS (5KVA) with a minimum one hour backup.

E. Image acquisition and management software.

1. The scanner system should be supplied with integrated management software (IMS) system with a minimum of 20 user licenses at no additional cost. It should also allow image acquisition, viewing, annotation, measuring, sub specialist consultation (on site and remote) and reporting capabilities. Licenses should be perpetual (lifelong). The update of software as and when available should be done at no additional cost within the warranty & CMC period.
2. The IMS should be customizable as per evolving user need during the first 2 years of installation.
3. The system should automatically combine the acquired images into one composite 'Digital slide' and present it in the desired magnification with seamless natural navigation and changes in magnification, Should have preset optical magnification (2x, 4x/5x, 10x, 20x and 40x) like the conventional microscope to change to specific magnification quickly.
4. The image management Software should allow gross images of the case and the reporting form to be displayed along with the scanned slide images.
5. Using the system the pathologist must be able to view an report cases remotely both within and outside the organization. This should not require any additional cost.
6. The image management Software should have the capability to read 1D & 2D barcodes so as to enable grouping of multiple slides into its specific case. This feature (barcode integration) should be available at no additional cost for life long.

7. The image viewer software should allow users to zoom in a particular area of interest at high magnification, while simultaneously keeping the entire tissue section visible at lower magnification.
8. Software should have easily visible summary information relating to each case within the need to open the case itself.
9. The system must allow for simultaneous access to image/images at multiple locations by different assigned users facilitating multisite collaboration and real time consultation.
10. During collaborative viewing and real-time consultation, participants should be able to identify and mark their areas of interest on the same-shared image, thus making it clear and easy to identify who performed the annotations.
11. The image viewer software should allow for the simultaneous assessment and aligned stacking of multiple images of a case on one monitor screen at the same time.
12. The system must allow a user to search for a case by different criteria such as name, case id, date etc.
13. Software should allow to create different roles as per lab designations including pathologist, lab technician, lab manager , admin, etc. Each role should have specific permission. Software should include capability to add different case level information-such as patient data, case level information and test level information, including site-stan, etc at the time of case creation.
14. The system should provide the ability to flag special cases (user defined) for additional importance or priority.
15. The system must be able to track visited areas and support digital bookmark which should be stored till clearly by the user.
16. The system should be scalable to a Hub and Spoke environment if required in future.
17. The scanner image management system must be able to integrate fully and efficiently LIS/LIMS: patient demographics and case reports retrieved from it and push back into LIMS any work done via the scanner image management system. For this the scanner company must coordinate fully with the LIS vendor.
18. The image Management System should allow remote access through mobile devices and a web -based viewer should be available.
19. Workflow software should have the capability to provide metrics regarding staff members as well as cases with respect to their status (open, in progress, and completed) and turnaround time (min time,

max time, and average time), and allow for customizing turnaround times for emergency and normal cases.

20. The system should have facility for secure web-based viewing of unlimited number of scanned slides at multiple local and remote sites for at least 20 users. This should be provided at no additional cost.
21. The image management system should be DICOM compatible.
22. Image viewer should have the ability to view other primary formats on site and at remote locations which may involve use of vendor neutral software or web-based software at no additional cost. In addition, the image scanned by the system should be usable or viewable in other viewers like QuPath, Slide Viewer, etc.
23. The scanner must produce image files in an open, documented format compatible with python libraries such as Open Slide and Bio-Formats, enabling direct use in AI/ML workflows for annotation, tilting, and preprocessing. Closed or proprietary formats without native Python support will not be accepted.
24. The export of scanned images in Biff/tiff/DICOM/JPEG compatible format should be possible.
25. The system should support third party or other scanners images at no additional cost.

F. Security.

1. The data storage and transmission should use the HTTPS protocol for secure image transmission.
2. The designated system manager (s) must have the facility to create, maintain and retire users, or groups of users (i.e. roles), and associated privileges.
3. Individual users should be able to view on their screen only those menu options or icons that they are entitled to use as designated.
4. The system must provide the facility for the authorized user to be authenticated, and restriction placed on each authenticated account by: Allocation of unique name (user-ID) and personal password.
5. The system should provide and maintain a full audit trail or event log that is accessible and viewable to the reporting consultant. This should include on each occasion that a case image is viewed, amended, reported etc. that the user details and date/time is recorded.
6. Manufacturer to provide a manufacturer developed software development kit (SDK) to access data stored in proprietary format enable research purposes.

- G. Quality Indicator: The scanner together with its associated software should conform to CE/IVD/CDSCO standard or have US FDA approved for

primary diagnosis. The certificates must be enclosed Bidders must enclose at least one order copy of similar installations at reputed government institutes in India.

H. General Specification:

1. Bidder must provide vibration free table to keep the equipment. The required infrastructure will be developed and provided by the bidder (fiber cable for data transfer etc). The company must visit the site before supplying the equipment to ensure proper infrastructure and other requirement.
2. Onsite demonstration of the quoted mode is mandatory as per the decision of the technical committee. If the firm fails to demonstration the quoted instruments for the said duration, it will not be considered.
3. All the components and requirements as specified at all the above points including the equipment, server, storage, workstations, hardware, software, and licenses have to be provided at no additional cost.
4. The bidder should have minimum 2 installation of the quoted scanner along with the quoted IMS model(s) in a Indian institute of national repete.
5. US FDA Certified/European CE Certified.
6. 03 years warranty, 05 years CMC.
7. Turn Key.

BINOCULAR MICROSCOPE

1. Quintuple coded (light management System) 5-hole Inward revolving nosepiece .
2. Infinity color corrected Optical system.
3. Eye piece 10x wide field eye piece: 10x, F. N 22mm (Anti fungus)
4. Hard anti-reflection coated lenses, Color Compensating eyepieces, Eyepieces are color compensating type at all magnification which ensures true color of observed images enabling accurate diagnosis.
5. 20X WD 0.9mm NA 0.45.
6. Interchangeability: Auto memorization of light of every Objectives when interchange & can be mounted in any sequence or location on the quintuple revolving backward nose piece without effecting their parfocality & Centering.
7. Stage: Stage size min. 175 x 145 mm Travelling Range min. 75x50 mm Co-Axial Low Drive Mechanical Stage (Right Hand).
8. Abrasion Resistant Coating: Hard abrasion resistant coating on stage.
9. Mechanical Stage focus lock Prevents mishaps

10. Illumination: 3W LED illumination with LCD Display on front to monitor every objective light intensity control.
11. The Aspheric (Parabolic) Lenses in condenser & Light Relay System substage Condenser Abbe condenser N.A. 1.25 with Aperture iris diaphragm, Vertical adjustment range 10mm.
12. Binocular Observation Head: Siedentop observation binocular Head (30 Degree inclined) for individual choice of adjustment, Bright & Even Illumination of Light.
13. Focusing Knob Coaxial Coarse & Fine focusing Knobs.
14. Lead Free and Arsenic-free Eco-glass for optics such as lenses and prisms.
15. The supplier will supply the complete assembled microscope in a wooden box along with dust free cover.
16. Quality certificate.
17. Company should be USFDA certificate/European CE Certified with 4 digit notifying body/CE certificate.
18. Manufacturer should ISO 13485 certified.
19. Warranty-3 year and 5 year CMC.
20. Accessories: Below accessories should be provided with each microscope.
21. Operation manual.
22. Immersion oil (25ml) 2 numbers
23. Lens cleaning solution (100 ml)
24. One anti-static cleaning brush.
25. Lens tissue paper 2 boxes.
26. 5 spare fuses.

Class B Autoclave

1. Autoclave Type
 - Class B Vacuum Autoclave (Triple Vacuum with air removal –Pre-vacuum)
 - Tabletop steam sterilizer.
2. Sterilization Class
 - Class B.
3. Compatible Load Types.
 - Solid and hollow instruments
 - Pouched or wrapped instruments.
 - Porous materials.
4. Available Sterilization Programs.
 - Unwrapped/134°C-9 minutes

(Rapid sterilization for unwrapped instruments – ideal turnover)

Wrapped /134°C-18 minutes.

(Standard Class B cycle for general medical and dental instruments)

Wrapped/121°C -30 minutes.

(For heat-sensitive instruments requiring a lower sterilization temperature).

Prion/134°C-43 minutes.

(Extended sterilization cycle for high-risk instruments exposed to prions or resistant pathogens).

5. Performance & Capacity.

- Maximum Load Capacity: 1 Kg total (up to 16 instrument pouches)
- Chamber Volume: 5.3 liters.
- Chamber Dimensions: 29 cm (L) x 19 cm (W) x8 cm (H)
- External Dimensions: 56 cm (L) x 27 cm (W) x 20 cm (H)
- Weight (Empty): 20 Kg.

6. Power & Operation.

- Working Pressure: 2.1 Bar
- Maximum Pressure: 2.3 Bar
- Maximum Process Temperature: 138°C
- Power Supply: 220-240V/50-60Hz
- Installation Power: 3.25 kw
- Maximum Power Consumption: 13A
- Ingress Protection: IP20.

7. Water & Data management.

- Data Archiving : Built-in USB for automatic cycle storage.

8. Performance Indicators Supported.

- Bowie & Dick Test
- Biological Indicators
- Class V Chemical Indicators.

9. Certifications.

- CE (Europe)
- BIS (India)
- CDSCO.

TECHNICAL SPECIFICATIONS FOR Rhino-LARYNGO-VIDEOSCOPE Adult & Pediatric.

A Full High Definition system should consist of the following Items:

1. A Chip on Tip -Laryngo Videoscope (Adult)
2. A Chip on Tip Rhino-Laryngo Videoscope (Pead)
3. Full High Definition Video Processor system.
4. Powerful light source equivalent to 300w xenon/300w Xenon light source.
5. 27" or more Full High definition medical grade monitor.
6. Trolley to accommodate all equipment.
7. Laptop with recording Software.
8. Printer.

Rhino- Laryngo videoscope (Adult):

- A 2-4 way angulation of scope.
- Four or more no. of remote control switches on control body.
- Compatible with electrosurgical and laser treatments.
- Distal end & Insertion tube outer diameter should be 5 mm or less.
- Field of view should be 80 degree or more.
- Depth of field should be 3 mm-50mm.
- Angulation range should be approx. Up 130 deg & Dn 130 deg.
- Working length should be around 300mm or more.
- Instrument Channel should be around 1.5-2.5 mm.
- Should be supplied with compatible Leakage Tester.
- Should be supplied with one grasping forceps RAT TOOTH, 05 pcs.
- Should be supplied with one biopsy forceps cup forceps -05 pcs.

Rhino-Laryngo videoscope (Pediatric)

- A 2-4 way angulation of scope.
- Four or more no. of remote control switches on control body.
- Distal end & Insertion tube outer diameter should be 2.9 mm or less.
- Field of view should be 80 degree or more.
- Depth of field should be 3.5 mm-50mm.
- Angulation range should be approx. Up 130 deg & Dn 130 deg.
- Working length should be around 300-350 mm.
- Should be supplied with compatible Leakage Tester.

Tender Specifications for NGS

1. The System should be a simple bench-top instrument to support various applications like: WGS of pathogens small genomes, clinical exome sequencing. WES (not necessarily), WG-Metagenome. Cancer panels, Targeted amplicon sequencing and whole Transcriptome sequencing.
2. The system should be user friendly & scalable by having two slots to run up-to two flow cells simultaneously, whenever required.

3. The System should use PCR-free or equivalent sequencing technology and should be an open-platform for third party library preparation consumables.length.
4. The system should be ultra-fast and be able to generate >90GB in 24 hours by using PE150 read.
5. The system should generate reproducible data with Duplicate ratio<3%, very low PCR bias and index hopping <0.001%
6. The system should have an onboard demultiplexing tool following sequencing to save time and fastq files should be ready as soon as sequencing is completed, without any cloud computing or uploading image files to cloud for demultiplexing.
7. The system should guarantee a minimum of 85% of bases to have Q30 or more, even for PF.150 read length.
8. Throughput should be a minimum of 28GB from one single flow cell and up to >90 GB in full run within 24 hours. And the system should have two slots to allow users for setting up run using two different applications.
9. The sequencer should be able to read through at least 20 bases homo-polymer stretches in the genome accurately.
10. The company should also be able to provide automated Library preparation system for library preparation and library preparation should also have an option of barcodes for large number of sample multiplexing.
11. For effective and error free automated onboard demultiplexing, the single barcode length should be at least 10bp. Also, the company should be able to provide dual barcodes whenever required.
12. The system should offer a range of fast and simple library solutions and kits for a range of research applications such as whole genome sequencing of small genomes/pathogens/Microbes, clinical Exome Sequencing, targeted gene panels, RNA-Seq, clinical applications with automated analysis and reporting for Microbial detection, low pass WGS (NIPT), PGS etc.
13. The company should be able to provide tools to accelerate data analysis of datasets like WGS/WES and any upgradation of software's should be free of cost during warranty period.
14. The instrument should have a complete end-to-end on-board solution with necessary software/server of ≥ 64 GB of internal storage with 2.5GHz or more Intel CPU, 26TB HDD and Windows 10 operating system. The instrument control software should be able to do onboard demultiplexing to output fastq files within the sequencing run TAT.
15. For clinical applications, the optional accessory bioinformatics software should have integrated automated data analysis and reporting modules, which requires little or no bioinformatics support.

16. Free upgradation of instrument control software, whenever available.
17. Instrument shall be supplied with all the accessories required to function.
18. The price list of all optional accessories and consumables shall be attached with offer for future reference for purchase.
19. 5 year onsite warranty and CMC for subsequent 5 years after successful completion of warranty.

Tape Station.

S. No.	Tape station.
1.	- Automated Analyzer for quality control (QC) of DNA and RNA samples. The Instrument should be used for analysis of Sample size, Quantity, Molarity and Integrity. - Instrument should be used for below QC applications. - OC of genomic DNA (DNA) including DNA Integrity Number - QC of cell-free DNA with percent of DNA purity - NGS library QC - Analysis of amplified libraries. - PCR and multiplex PCR fragment analysis - QC of quantitative PCR products. - Quality and quantity of total RNA samples from eukaryote or prokaryote origin
2.	QC Analyzer instrument should analyze any sample number upto 16 samples at constant cost per sample.
3.	- Instrument should be capable to run following application Kits. - DNA Kit (Sensitivity of 0.1 ng/μl) - High Sensitivity DNA Kit (Sensitivity of 5 pg/μl) - RNA Kit (Sensitivity of 5 ng/μl) - High Sensitivity RNA Kit (Sensitivity of 100 pg/μl) - Genomic DNA Kit (200 to 55,000 bp & Sensitivity of 0.5 ng/ml) - Cell Free Kit (50 to 750 bp & Sensitivity of 20 pg/ul)
4.	An automated system from sample/reagent loading, processing to analysis with zero cross contamination.
5.	No manual Gel dye mix steps for sample preparation should be required. Instrument should have automated loading and walk away operation.
6.	The instrument should have pre-casted agarose gel devices ready to use for different sample types
7.	The system must be able to accommodate maximum sample volume of 1-2 μl of precious sample for all applications including High Sensitivity Analysis.

8.	The system should be supported with optimized and validated kit for Genomic DNA and Cell-free DNA
9.	The instrument should be based on traditional electrophoresis and Should not be on capillary based system requiring 1min/sample for analysis.
10.	The system should support DIN and RIN algorithm to measure the quality of the DNA and RNA.
11.	The instrument software must offer feature for calculating the stability of RNA and DNA.
12.	System must offer Individual tips for sample loading to avoid any contamination issues.
13.	The system must not use any fragile capillaries for electrophoresis. Instead, rugged chips/tapes/plates and tubes must be used.
14.	The system should have integrated QR code scanner.
15.	The system must not depend on use of any external/internal gas cylinder/vacuum pump for running the instrument.
16.	The Kits required for the system must not use any mineral oil for preventing sample evaporation
17.	The Instrument must be offered with kits of pack sizes of 100-150 reactions or less to avoid reagent wastage and kit expiry.
18.	he instrument should be recommended by the sequencer OEM in their protocol as a necessary step for sample QC.
19.	The instrument should have minimum 50 reference installation in NGS QC Labs user list to be provided.
20.	Performance certificates from 10 users to be attached to ensure performance.
21.	Reference should be provided from OEM of NGS instruments as the validation system for DNA and Library QC.
22.	Onsite demo of the machine should be provided for the technical evaluation and also has to perform NGS library qc, all samples and reagents for demo has to be arranged by bidder.
23.	warranty 5 years
24.	Desktop with i5 processor and UPS.
25.	Starter kit required for HS DNA, and RNA each should be provided along with the instrument.

Class B Autoclave

1. Autoclave Type
 - Class B Vacuum Autoclave (Triple Vacuum with air removal –Pre-vacuum)
 - Tabletop steam sterilizer.
2. Sterilization Class
 - Class B.
3. Compatible Load Types.
 - Solid and hollow instruments
 - Pouched or wrapped instruments.
 - Porous materials.
4. Available Sterilization Programs.
 - Unwrapped/134°C-9 minutes
(Rapid sterilization for unwrapped instruments – ideal turnover)
 - Wrapped /134°C-18 minutes.
(Standard Class B cycle for general medical and dental instruments)
 - Wrapped/121°C -30 minutes.
(For heat-sensitive instruments requiring a lower sterilization temperature).
 - Prion/134°C-43 minutes.
(Extended sterilization cycle for high-risk instruments exposed to prions or resistant pathogens).
5. Performance & Capacity.
 - Maximum Load Capacity: 1 Kg total (up to 16 instrument pouches)
 - Chamber Volume: 5.3 liters.
 - Chamber Dimensions: 29 cm (L) x 19 cm (W) x8 cm (H)
 - External Dimensions: 56 cm (L) x 27 cm (W) x 20 cm (H)
 - Weight (Empty): 20 Kg.
6. Power & Operation.
 - Working Pressure: 2.1 Bar
 - Maximum Pressure: 2.3 Bar
 - Maximum Process Temperature: 138°C
 - Power Supply: 220-240V/50-60Hz
 - Installation Power: 3.25 kw
 - Maximum Power Consumption: 13A
 - Ingress Protection: IP20.
7. Water & Data management.
 - Data Archiving : Built-in USB for automatic cycle storage.
8. Performance Indicators Supported.
 - Bowie & Dick Test
 - Biological Indicators

- Class V Chemical Indicators.
9. Certifications.
- CE (Europe)
 - BIS (India)
 - CDSCO.

TECHNICAL SPECIFICATIONS FOR Rhino-LARYNGO-VIDEOSCOPE Adult & Pediatric.

A Full High Definition system should consist of the following Items:

1. A Chip on Tip Rhino-Laryngo Videoscope (Adult)
2. A Chip on Tip Rhino-Laryngo Videoscope (Pead)
3. Full High Definition Video Processor system.
4. Powerful light source equivalent to 300w xenon/300w Xenon light source.
5. 27" or more Full High definition medical grade monitor.
6. Trolley to accommodate all equipment.
7. Laptop with recording Software.
8. Printer.

Rhino- Laryngo videoscope (Adult):

- A 2-4 way angulation of scope.
- Four or more no. of remote control switches on control body.
- Compatible with electrosurgical and laser treatments.
- Distal end & Insertion tube outer diameter should be 5 mm or less.
- Field of view should be 80 degree or more.
- Depth of field should be 3 mm-50mm.
- Angulation range should be approx. Up 130 deg & Dn 130 deg.
- Working length should be around 300mm or more.
- Instrument Channel should be around 1.5-2.5 mm.
- Should be supplied with compatible Leakage Tester.
- Should be supplied with one grasping forceps RAT TOOTH, 05 pcs.
- Should be supplied with one biopsy forceps cup forceps -05 pcs.

Rhino-Laryngo videoscope (Pediatric)

- A 2-4 way angulation of scope.
- Four or more no. of remote control switches on control body.

- Distal end & Insertion tube outer diameter should be 2.9 mm or less.
- Field of view should be 80 degree or more.
- Depth of field should be 3.5 mm-50mm.
- Angulation range should be approx. Up 130 deg & Dn 130 deg.
- Working length should be around 300-350 mm.
- Should be supplied with compatible Leakage Tester.

Specification NPWT With Instillation Device

Negative Pressure Wound Therapy with Instillation System should be designed to achieve better outcomes in the management of acute, sub-acute and chronic wounds in a clinical environment.

The Therapy System should be a proven, non-invasive, advanced approach to negative pressure wound therapy. The System should use an intelligent therapy unit to deliver controlled negative (sub-atmospheric) pressure to the wound site. The efficacy of the system should have an established mechanism of action at cellular and tissue levels.

Technical Specifications of Negative pressure Wound With Instillation Therapy System

- It should provide controlled, localized sub-atmospheric pressure in continuous or intermittent mode to help draw wounds closed allowing tissue decompression and enhanced blood flow
- It should provide dynamic Pressure Control, which is the evolution of intermittent therapy that maintains minimum negative pressure levels between cycles, helping to prevent leaks and fluid accumulation that can occur when there is no negative pressure at the wound site.
- It Has a Sensa Therapeutic Regulate Automated Care Pad System with 5 lumen Technology provides continuous feedback for enhanced negative pressure accuracy, NPWT with instillation GranuFoam Dressings help promote granulation tissue formation and facilitate exudate removal. NPWT with instillation Canisters collect exudate. Seal Check, Leak Detector offers instant feedback to help identify leaks also it provides proper instillation to the wound.
- Wound Instillation Therapy System is for wounds that would benefit from instillation therapy, such as wounds with instillation of topical wound cleansers. Infected wounds with instillation of appropriate topical wound solutions; these wounds also benefit from the removal of infectious materials in the NPWT with Instillation Therapy cycle.

- Customized, Automated Wound Instillation Therapy System, like therapy cycles of a 5-minute soak time followed by 2.5 hours of Wound instillation Therapy unit.
- It should provide closed, moist wound healing environment & promote granulation tissue formation through promotion of wound healing.
- It should promote flap and graft survival.
- It should have dressing system made up of soft open cell reticulated polyurethane foams with pore size 400-600microns.
- The system should be able to be used on heavily exudating wounds of various sizes and shapes to deal with like burns, trauma wounds, chronic wounds, diabetic foot, open abdomen, sternal infections etc.
- System should have Negative Pressure Wound Therapy System with Instillation and Open Abdomen Therapy one unit with all three features.
- The following Alarm Facility Should be available with NPW Instillation therapy Device that has different alarma, Such as:
 - Blockage Alarm (Therapy Interrupted)
 - Automated controlled delivery Cassette Not Engaged Alarm.
 - Solution Bag/Bottle Empty Alarm
 - Fill Assist Inactive Alarm
 - Pressure Deviation Alarm (Therapy Interrupted)
 - Canister Full alarm-To let the caregiver know the canister is full
 - Canister not engages alarm.
 - Internal Temperature Alarm: Trigger ($\leq 41^{\circ}\text{F}$ & $\geq 122^{\circ}\text{F}$), Move to ($\leq 50^{\circ}\text{F}$ & $\geq 86^{\circ}\text{F}$)
 - System Error Alarm (0000001 thru 00000009) and Therapy Inactive Alarm.
- Should have disposable canister with bacteria filter & waste solidifier and should have minimum of 300ml capacity and can be used with 300 ML, 500 ml and maximum 1000 ml canister.
- Completely automated volumetric solution delivery Has one pump for NPWT and one for instillation.
- No additional and external filter should require.
- The system should have digital display screen with screen lock facility for unauthorized handling and should be able to operate on Fingers and Stylus.
- It should have sophisticated alarms for safety and troubleshoot, should be portable & light weight not more than 4.
- It should have microprocessor-controlled pressure (-25-200mmHg) settings with steps of 25mmHg to efficiently treat entire range of wound etiologies & sizes.
- It should be electrically operated and have at least 6 hours internal battery backup for enhanced patient freedom.
- It should have double layer filter system capable for reducing bacteria, infection & wound odor

- It should have microprocessor-controlled system for enhanced accuracy; maintain target negative pressure even during patient movement.
- It should be able to monitor and It should have the capability to alert the user of tubing blockage, pressure leakage, canister full, therapy inactive or any malfunctioning to maximize patient safety.
- System should have fixed tubing to obtain controlled & infection free dressing.
- The system should operate under 100V to 240V (50/60Hz) Power supply.
- The System should have night mode facility - to minimize the disturbance to the patient because when the night mode is active then ON-OFF Switch light will be dim and screen will be black.
- System should have Easy Clear Purge Technology and Dynamic Pressure Control.
- USB and Memory Card Ports for downloading Patient data and Wound Size analysis,
- Digital wound image features allow healthcare professionals to measure and calculate wound area and volume, which helps wound progress assessment.
- The Systems should have an FDA and CE Certifications
- Registrations Certification Applicable.
 1. Registration certificate under the Drugs and Cosmetic Act - India
 2. Import License copy-India
 3. FDA Certificate.
 4. CE Certificate
 5. 150 Certificate6.
 6. PAC Certificate.

Critical Components, One Unique System

The Negative Pressure Wound Therapy System is comprised of essential components that actively work together to help promote wound healing through granulation tissue formation

1. Negative Pressure Wound Therapy System with Instillation and Open Abdomen Therapy one unit with all three features
2. Incorporated with Sensairse Technology.
3. GrouFoam Dressings with 5 or more lumen support for sensing and maintaining pressure at wound bed, Gracufoam Dressing for Instillation Therapy and Gramufoam Dressing for Autolytic Debridement,
4. Cancer 300ML, 500ML & 1000ML with 5 lumen tubing
5. Automated controlled delivery Cassette with automated controlled delivery and removal topical wound solutions in the wound bod
6. Closed incision negative pressure wound therapy.

Sensing and Therapeutic Regulate Automated Care System

Engineered to maintain prescribed setting (identified as 125cmmlHg) and provides real-time pressure feedback system.

- Utilize 5 lumens to effectively remove exudate.
- Maintains and monitors pressure through 4 outer lumens.
- Adjust and monitor pressure at the wound site.
- Triggers positive blast of air through outer lumens approximately every 5 minutes to aid in the prevention and clearance of blockage.
- Helps to clear fluid from outer lumens to maintain their pressure sensing ability.
- Helps to clear fluid in inner lumen that is not being pulled up (typically because of a blockage).
- Machine should be supplied along with trolley and lockable wheels
- Machine should be supplied with UPS for power backup.

NPWT Instillation Accessories

Technical Specifications of Dressings for NPWT Instillation Therapy System

Disposables to be used with Wound Instillation Therapy System	No. of quantity	Functions
Medium (5.8" x 6.8" x 0.7") dressing made up of Polyurethane Ester for Instillation Therapy. USFDA and CE Certifications.	10 no. (TEN)	Black Polyurethane ester which provides even distribution of wound solutions across wound bed and is appropriate for contaminated and infected wounds
Small (3.0" x 4.4" x 0.7") dressing made up of Polyurethane Ester for Instillation Therapy, USFDA and CE Certifications.	10 no. (TEN)	Black Polyurethane ester which provides even distribution of wound solutions across wound bed and is appropriate for contaminated and infected wounds
Instillation therapy cleanse dressing in a spiral shape made up of Grey Polyurethane Ester USFDA and CE Certifications.	10 no. (TEN)	Grey Polyurethane ester which allows clinician's flexibility in addressing wound contaminated and infected wounds.
Instillation therapy Vera Link Cassette, USFDA and CE Certifications.	10 no. (TEN)	Holds and delivers user-provided wound solutions.

Instillation therapy Sensa T.R.A.C. Pad, USFDA and CE Cerifications	10 no. (TEN)	Delivery and removal through a single pad.
The unique three-layer design (25.6x15.0cm dressing varying thicknesses (0.8-1.6cm); for Negative Pressure Wound Therapy with Instillation system contains one disposable ruler & sheets of advanced drape, 5 packets of Alcohol free No Sting Barrier Film, one DUO trac pad with 5 or More lumens, It should made up of Grey Polyurethane ester foam. It should be COSCO, FDA & CE Certified	10 no. (TEN)	Black Polyurethane ester which provides eves distribution of wound solutions across wound bed and is appropriate for contaminated and infected wounds
Negative Pressure wound Therapy Dressing kits- should contain Large Polyurethane Ether Grey Foam Silver Dressing (26 cm x 15 cm x 3.2cm) with two sheets of drape, ruler, trac tubing with 5 or more lumens. It should be CDSCO, FDA & CE Certified,	10 no. (Ten)	Black Polyurethane ester which provides even distribution of wound solutions across wound bed and is appropriate c ontaminated and infected wounds.
300,500 And 1000-ml CANISTER WITH GEL for instillation therapy, USFA and CE Certification.	30	Collection of exudates.

NPWT closed incision accessories

Technology Specification of Dressings for Closed incision NPWT Therapy System

S.No.	Trade Name	Quantity	Closed incision Negative Pressure Wound Therapy Dressing Kit.
1.	PEVENA Peel & Place Dressing 13cm	10 no	It should be simple to use for incision length 13 cm peel Closed incisional Negative Pressure Wound Therapy kit contains skin friendly wicking interface layer that includes 0.019% Ionic silver and Polyurethane foam bolster size 15.2x6.4x1.8cm

			It should have one tract tubing with 5 or more lumens with length 112 cm, should be supplied with more lumens 300ml Canister for effective removal of the exudates. Compatible with NPWT machine which can generate pressure from -25mm Hg to -200mmHg It should be certified by CDSCO, FDA & CE
2.	PREVENA Peel & Place Dressing 20cm	10 no	It should be simple to use for incision length 20 cm peel & place Closed incisional Negative Pressure Wound Therapy kit contains skin friendly wicking interface layer that includes 0.019% Ionic Silver and Polyurethane foam bolster size 25.4x6.4x1.8cm, It should have one tract tubing with 5 or more lumens with length 112 cm, should be supplied with 5 or more lumens 300 ml Canister for effective removal of the exudates. Compatible with NPWT machine which can generate pressure from -25mm Hg to -200mmHg. It should be certified by CDSCO, FDA & CE.
3.	PREVENA Peel & Place Dressing 35cm	10 no.	It should be simple to use for incision length 35 cm peel & place Closed Incisional negative Pressure Wound Therapy kit contains skin friendly wicking interface layer that includes 0.019% Ionic Silver and polyurethane foam bolster size 37.8x6.4x1.8cm. It should have one tract tubing with 5 or more lumens with length 112 cm, should be supplied with 5 or more lumens 300ml Canister for effective removal of the exudates. Compatible with NPWT machine which can generate pressure from -25mm Hg to -200 mmHg. It should be certified by CDSCO,FDA& CE
4.	PREVENA Customizable Dressing 90cm	10 no	It should be simple to use for incision length 90 cm or customizable as per incision should be used simply Peel & place Closed Incisional negative Pressure Wound Therapy kit contains skin friendly wicking

			interface layer that includes 0.019% Ionic Silver and polyurethane foam bolster size 90x9.8x1.8cm. It should have one trac tubing with 5 or more lumens with length 91 cm, should be supplied with 5 or more lumens 300ml Canister for effective removal of the exudates. Compatible with NPWT machine which can generate pressure from -25mm Hg to -200 mmHg. It should be certified by CDSCO,FDA& CE
5.	300ml, 500ml and 100ml canister	40 no	300,500 AND 100-ml CANISTER WITH GEL for closed incision npwt therapy compatible with npwt machine which can generate pressure from -25 mm Hg to 200mmHg. It should be certified by CDSCO, USFDA and CE Certifications.

S.No.	Specifications Vibrating Mesh Technology Aerosol Drug Delivery System.		
1.	Inline nebulization / drug delivery system should work on vibrating mesh technology capable to generate uniform particle size between 1-5 microns and should be operated through Wired controller system to power the nebulizer chamber.		
2.	the system should be validated for single patient use for up to 28 days intermittent use based upon a typical usage profile of 4 treatments per day or 7 days continuous use with the continuous nebulization tube set having 6 ml drug loading capacity.		
3.	Should deliver all clinically certified aerosol drugs for all age groups and should be a fast and silent operating system and easy to set up.		
4.	The controller should be operated with AC/DC adapter (input 100 to 240 VAC 50-60 output 9V)and should have rechargeable battery having battery backup of 45 mins for portable use during patient transfer & should have two operating modes - 30 min and continuous mode.		
5.	Noise level: 35 dB measured at 0.3 m distance, Flow rate: 0.2 mL/ min (Average 0.38 ml/min).		

6.	Should have built in controller system in all the leading ventilators (GE, Getinge, etc)
7.	Should be US FDA approved, ISO & CE certified.
8.	Should have 300+ granted active and pending patents.
9.	Nebulization/drug delivery unit should be compatible to be used in line with T-pieceon multiple modalities like mechanical ventilator, non-invasive ventilator, high flow nasal cannula, high frequency oscillator ventilator or as a stand-alone nebulisation unit with or without O2 via mouthpiece or mask.
10.	Should have installation report from reputed government hospitals in India (PO/installation report to be submitted).
11.	he quoting company should have direct office in India with a dedicated sales and clinical team to provide onsite demonstration and user training.
12.	The company must ensure a seamless supply of products through an established local distributor network. Relevant details must be submitted as part of proposal.
13.	The quoted medical device must be registered under CDSCO and submit the license for manufacture to sale or distribute the medical device. If not registered, the acknowledgement copy of the online application for the said registration must be submitted.
